

Legacies of the Nuremberg Doctors Trial

A Symposium at Boston University

MARCH 23 2017 6^{PM}

THE FLORENCE & CHAFETZ HILLEL HOUSE 4TH FLOOR

This spring marks the 70th anniversary of the Judgment of the trial of the Nazi Doctors at Nuremberg. This symposium will provide an opportunity to reflect on the legacies of that trial to law, bioethics and human rights.

Boston University's physicians, lawyers, theologians and students will provide insight into the lasting impact of this international criminal trial and its contemporary implications for medical ethics.
