The final grade will be based on the midterm exam, the final exam, and the paper, each worth one third.

***Note about the Course:***

The professor may adjust the schedule of the classes or assignments if needed due to time or other constraints. Generally, students will be required to read five or six chapters a day.

All students are required to hand in a final paper about some passage in the book.

It is possible that there will be extra classes, in which case the day and time will be determined by consensus of the students and the professor.
