

GRENOBLE, FRANCE > STUDY ABROAD

The Grenoble French Studies Program offers a semester or academic year of intensive language study and university coursework in one of France's most beautiful cities. With a student population of almost 53,000, both the city and the University of Grenoble have a longstanding tradition of welcoming students from all over the world.

Upon successful completion of a semester, students earn 16 Boston University credits.

Grenoble French Studies Program

LEVEL I: INTENSIVE FRENCH LANGUAGE

Level I offers an intensive French-language curriculum at the Centre Universitaire d'Etudes Françaises (CUEF) of the Université de Grenoble, which is among the best French-language instruction centers in France. Level I students take four classes for a total of 16 credits: 12 credits of language coursework plus a course on French civilization and culture taught by the director, for which students conduct an ethnographic research project.

LEVEL II: ADVANCED UNIVERSITY STUDIES

Level II offers advanced students the opportunity to enroll directly in the Université de Grenoble. Qualified students select four upper-level academic courses from offerings in the Faculté des Langues, Lettres et Communication (Université Stendhal), the Faculté Des Sciences Sociales (Université Pierre Mendès), the CUEF, or a combination thereof. In addition, all Level II students take a semester-long, advanced four-credit course, Travaux Pratiques, in written and oral French through the CUEF, for which they complete an ethnographic research project.

HOUSING

All students are provided with accommodations in French households throughout the city.
