

SYDNEY, AUSTRALIA > STUDY ABROAD

INTERNSHIP

During this eight-week period, students participate in Sydney's local work life through internships with Australian and multinational businesses and organizations. Students work four full days per week, while also taking an elective course. Through the academic component, the Sydney Internship Course, students participate in discussion seminars and produce a researched portfolio on their internship experience. Internship areas include: advertising or public relations; arts and architecture; business and economics; film and television; health and human services; hospitality administration; journalism; international organizations; and politics.

Sydney Internship Program

The Sydney Internship Program offers a semester of study and work in one of the world's most cosmopolitan cities and a nexus of the Pacific and South East Asian regions. This program combines a professional internship with coursework on Australia's dynamic history, contemporary culture, and place in the modern world, including its literature, politics, economics, art and media. Courses are taught at the BU Sydney Academic Center by faculty drawn from leading Australian universities and industry. Upon successful completion of the program, students earn 16 Boston University credits.

COURSES

Students take two courses during this first session: one required course in Australian Culture and Society—which includes ethnographic research on a selected aspect of Australian Society—and one elective course from the following: Australian Art and Architecture, The Pacific Rim: Economic and Political Orders, Australian Literature, Sustainable Sydney - Sustainable Australia, Sports Management in Australia and the Asia-Pacific Region, Brand Advertising and Promotion, The Australian Political System, Australian Social Policy, Mass Media in Australia, Australian Cinema, Film Production Using Video, The Australian Wine Industry, International Marketing Management, Services Marketing and Management.

HOUSING

The new BU Sydney Academic Center combines student apartment suites, classrooms, offices, a library, computer facilities, and lounge space. Students live in single bedrooms in fully furnished suites of four bedrooms. The BU Sydney Academic Center is located within walking distance of the University of Sydney, the University of Technology Sydney, and the Sydney Central Railway Station.

EXCURSIONS

Students have the opportunity to travel to various destinations within Australia, including Uluru, the Great Barrier Reef, The Great Ocean Road, the Blue Mountains and Kakadu.
