Place Your Parent/Friend Recognition Ads in the Yearbook

Yearbook Recognition Ads are a great way to commemorate student achievements and important milestones. In addition, revenues from recognition ads help our school to create a better yearbook. We especially encourage senior parents to create ads for their graduating students, but we also welcome ads from friends, teammates, fellow club members and more. Jostens is managing our school's yearbook ad sales (as they did last year), so please do not send materials to our school! You can create and pay for your ad online by going to JostensAdService.com and following the instructions there. As a school publication, we must reserve the right to edit ads, so please make sure all materials you submit are appropriate for a high school yearbook. Your ad order must be received by December 25, 2009. Thank you very much for your support!
