How the Virtual Ghana Kit Works...

- The Ghana kit is split into 3 different sections:
 - ✧ Kit Guides
 - ✧ Photo Packets
 - ✧ Additional Resources
- Within each of these sections, there will be PDF files.
- These PDF files are organized and labeled in the same way as seen above in the contents page.
- Simply download each PDF file from each folder and you will have a complete Ghana kit.
- Use the teaching guide to help you teach the information.
