

Photo Packet: Ghanaian Life

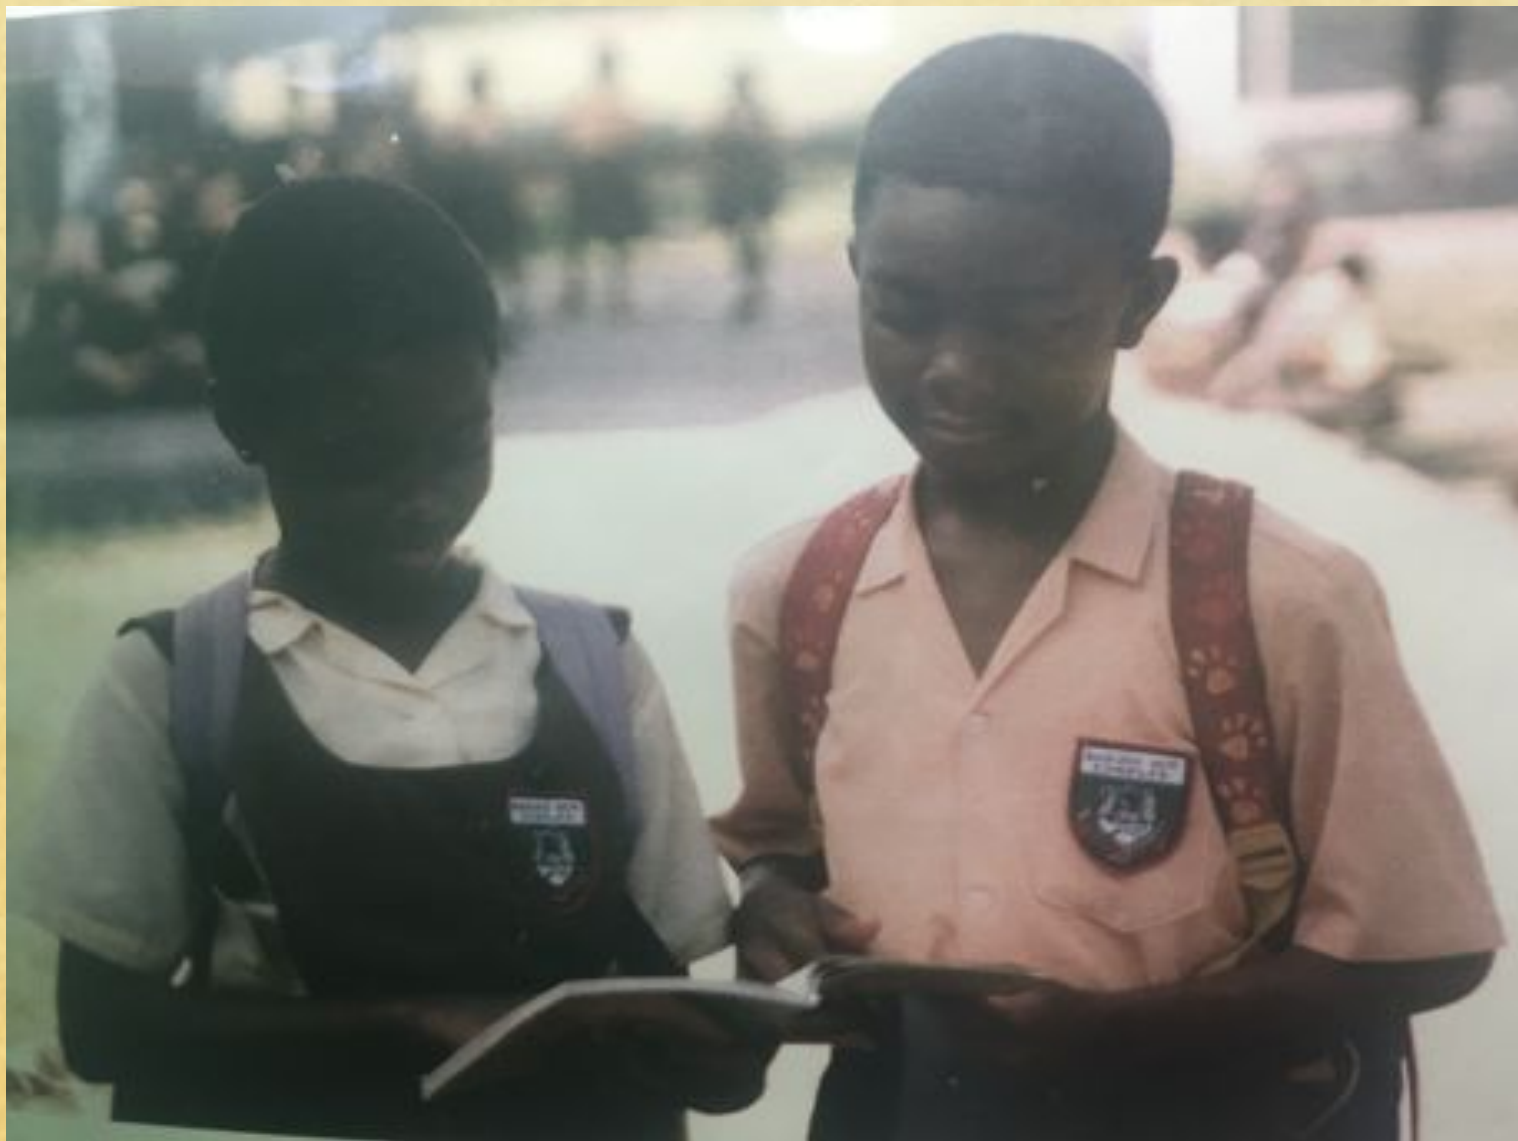

Take a look at these pictures
of everyday life in cities and
villages in Ghana

HERE'S WHAT TO DO...

- 1) Look at the picture on the slide.
- 2) Can you tell what is going on?
- 3) If not, can you guess what you think might be going on?
- 4) Once you have understood what is happening in the picture, you can move on to the next picture.
- 5) How is Ghanaian life similar to your own?
- 6) How is it different?

Have fun learning about Ghana!

Myself

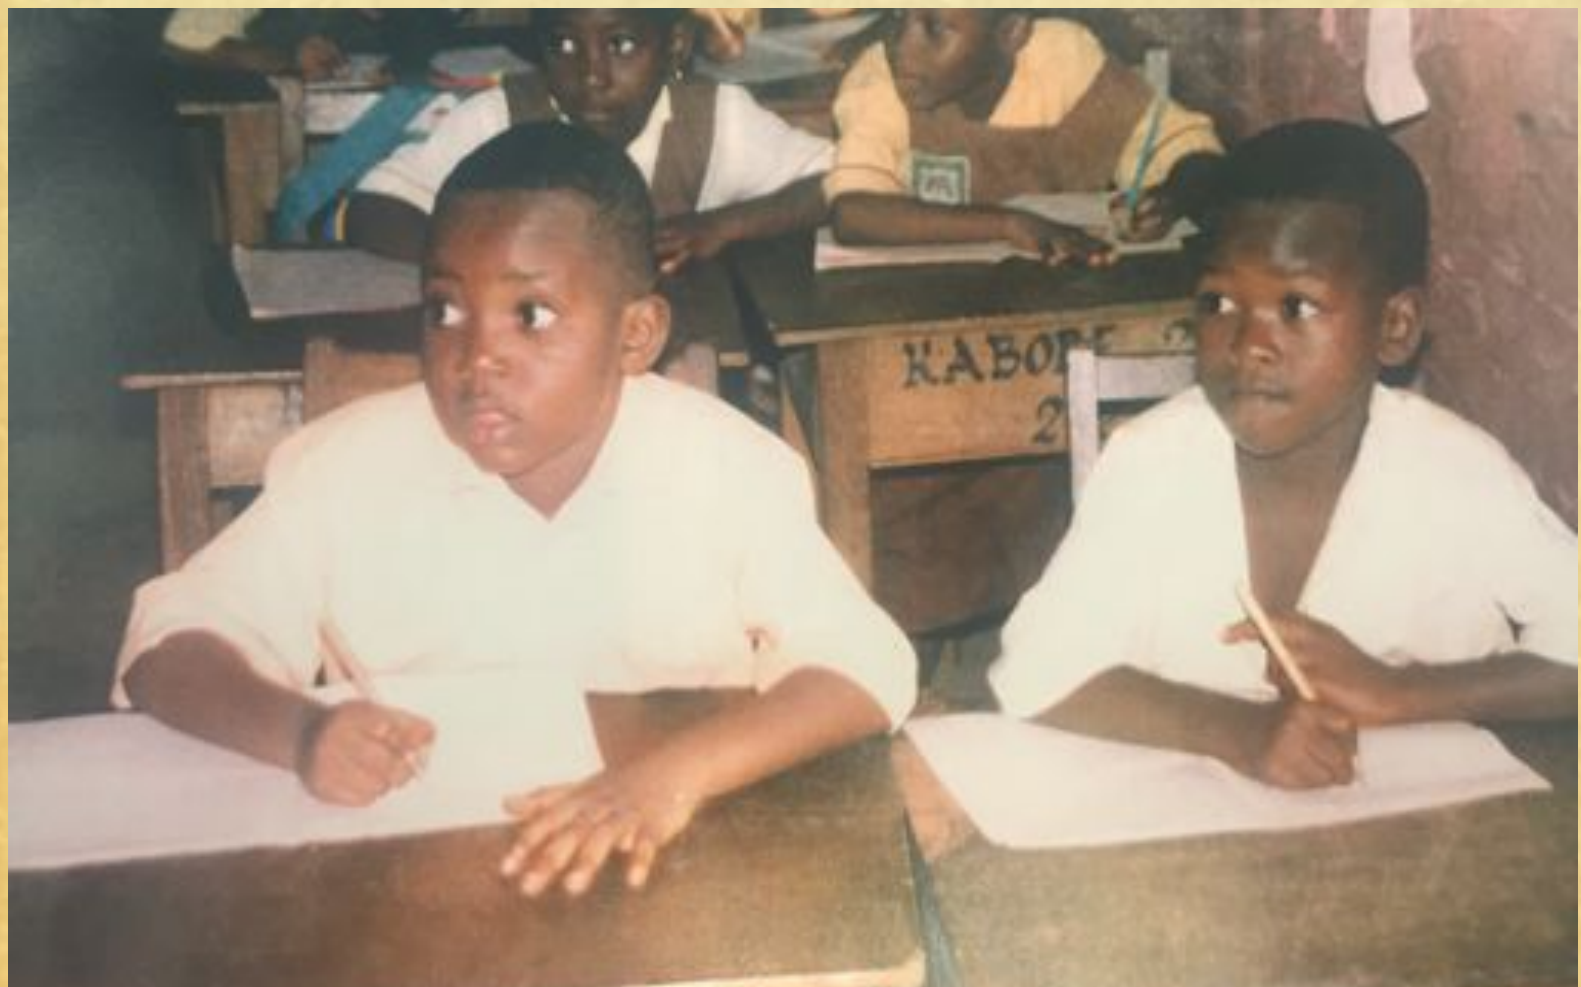

English

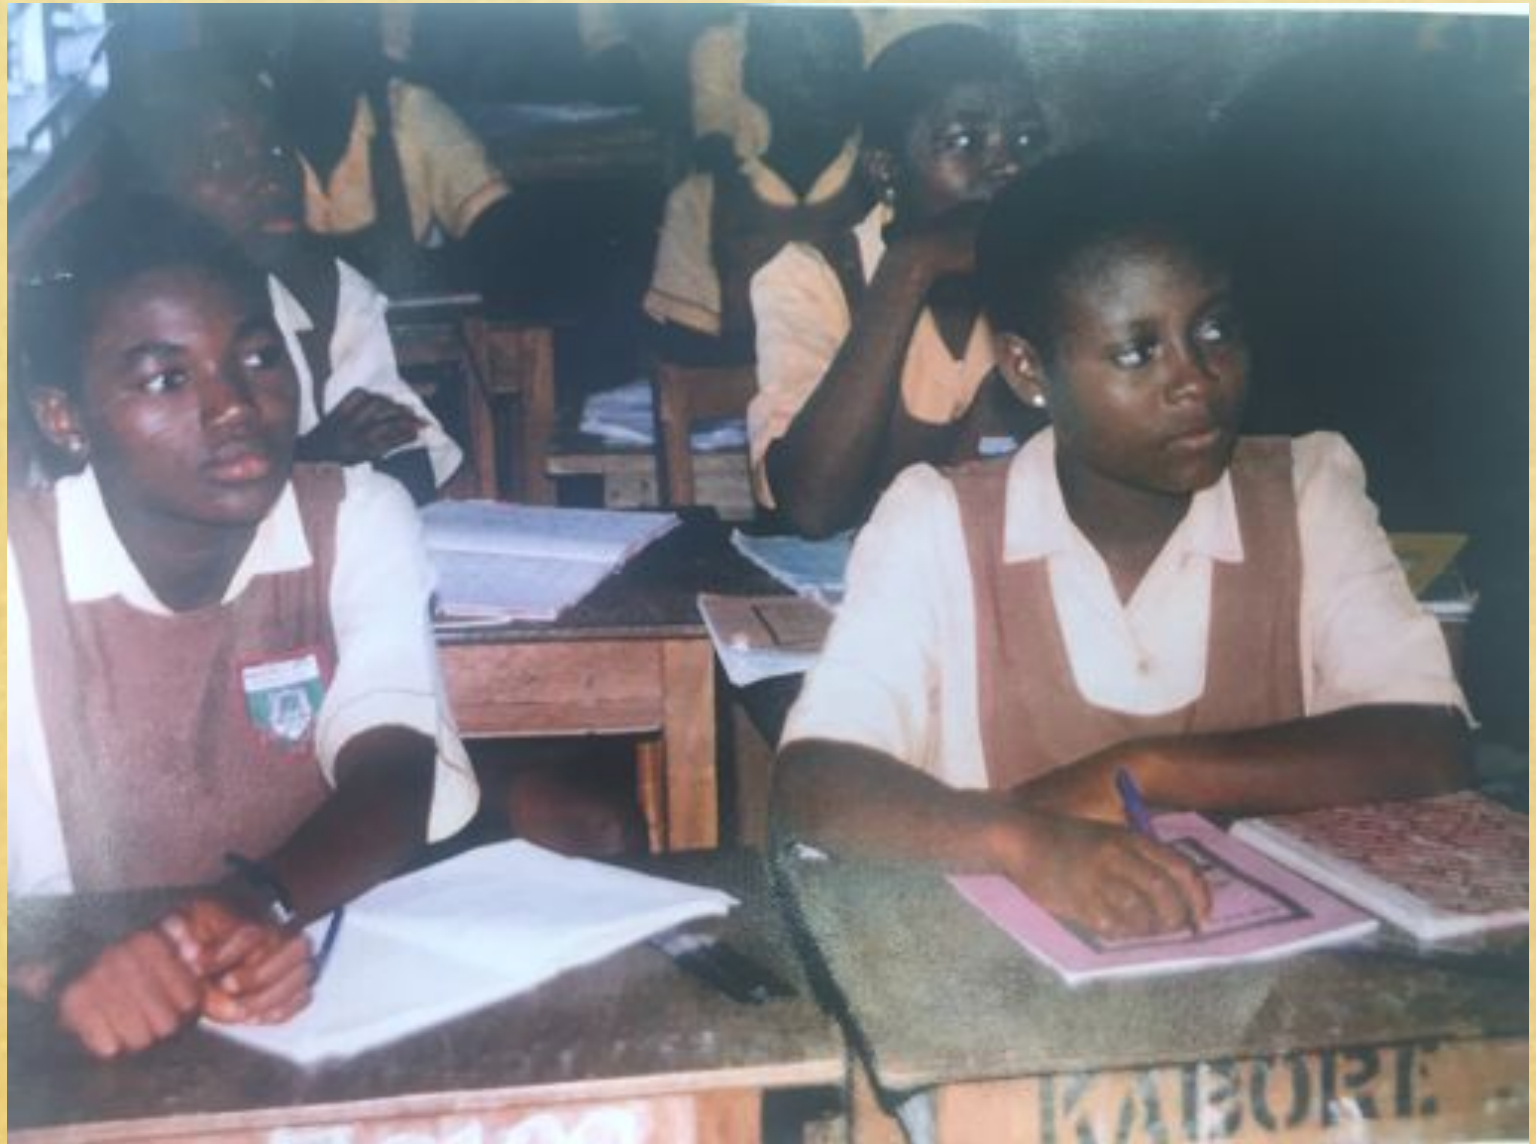

Write about yourself.

1. My name is — .
2. I am — years old.
3. I am a — (boy, girl).
4. I attended basic — (two, one).
5. I am — in complexion. (black, fair)

SLOPE / GRADIENT

$$\frac{-4}{3} = \frac{4}{-3}$$

Change in y

Change in x

A(2,5)
x, y

(2) P(-2, 1)

(3) M(2, 1)

(4) F

(1) $\frac{-4-2}{-2-2} = \frac{-6}{-4} = \frac{3}{2}$

$\frac{-7-(-1)}{-5+2} = \frac{-6}{-3} = \frac{6}{3}$

$\frac{2-6}{1-2} = \frac{-4}{-1} = 4$

$\frac{6-2}{2-5} = \frac{4}{-3} = -\frac{4}{3}$

(6) $\frac{-6-3}{-1-(-5)} = \frac{-9}{-4} = \frac{9}{4}$
