MADAGASCAR
SUMMER TRIP

JUL 27 - AUG 10, 2018

Rich history, diverse culture, unique biodiversity, and of course, lemurs!

The Boston University African Studies Center and Global Exploration for Educators Organization (GEEO) are collaborating on an educational program open to all educators and their guests. Grants are available!

In addition to the organized educational trip itself, participants will receive PDPs, country-specific lesson plans and teaching resources, and post-trip curriculum development support.

Visit www.geeorg/tours/Madagascar for more information & to register.
Total Trip Cost: $2387.00
