Notes:

SEDS

- Appeal for Conference they are attending in May
- Huge Networking event
- Appeal for funding previously but was denied because Treasurer did not attend a workshop
- But now have had a make up workshop
- Reapplied but now the travel fund has been exhausted
- they believe we should make an exception to the travel fund exhaustion protocol
- This event huge networking possibilities-NASA etc....
- Very influential for the career
- Really important for transition the lower classmen to leadership positions
- Why? The wait so long to resubmit/appeal?-They were confused.
- What does this bring back? Will enable them to hold conferences which will broad the horizons of people in this industry-both BU students and students from other industries
- Emailed us on January 31st stating that we will review the requests

ASO

- Joint Boat Cruise- MIT, Welsey, Tufts, Harvard
- Great way to end off the school year
- Open doors, networking
- Requesting funding for the boat rental, buses for transportation to the wharf,
- Boat costs (each school is contributing depending on how many people they are bringing)
- charging (each school is charging different tax prices)
- Something to bring everyone together (expecting 30 BU students, but also selling tax to other students)
- Money requested is for the upfront costs

Kappa Delta and Chi Phi

- BU Feud
- focus is the BU community in general not just the Greeks
- Morse Auditorium April 19th 7:30-10:30
- Will target all organizations through a Mass You-Do email
- Raising money for Save the Children-Japan
- will be showing clips about Japan
- Game show type event
- Expecting about 400 people
- Requesting SPS and FMP costs
- All money raised is going to Save the Children
