

The College of Communication is grateful for the support of alumni, faculty members, families and friends who made a gift between July 1, 2006 and June 30, 2007. These gifts benefit the COM Fund, the Student Film Fund, special projects and other named scholarships, student awards and targeted funds.

Gifts this past year helped us upgrade software and digital equipment; send faculty members and top students to national conferences and regional film festivals to showcase their prize-winning work; and support student clubs and organizations. Most notably, COM Fund donations enabled us to begin renovations to our first floor student lounge and third floor television studios. These initiatives, along with so many others, help advance our global reputation as a premier communications school.

For more information about how you can join our growing list of supporters, please contact us at 617-353-5017 or make a donation online at [www.bu.edu/alumni/com/giving](http://www.bu.edu/alumni/com/giving). We would love to welcome you into our donor family!
