Nutrition and the Healthy Mind:
An Alzheimer's Educational Event

When:
Saturday, November 3, 2012
9:30am - 12:00pm

Refreshments: 9:00am
Presentation by Dr. Andrew Budson: 9:30-10am

Where:
Cambridge Spaulding Rehabilitation
Cullinane Center
1575 Cambridge Street, Cambridge

Presenter: Dr. Andrew Budson

Dr. Budson is currently the Chief of Cognitive & Behavioral Neurology at the VA Boston Healthcare System where he runs the Memory Disorders Clinic. He is also the Associate Director of the Boston University Alzheimer's Disease Center and Professor of Neurology at Boston University School of Medicine. This year with his colleagues he has opened the Boston Center for Memory where patients can receive state-of-the-art memory evaluations in a timely manner and access to the latest treatments through participation in clinical trials.

Keynote Speaker: Nancy B. Emerson Lombardo, PhD

Nancy Emerson is the Founder and President of HealthCare Insights, LLC, which focuses on Brain Health and Wellness. She is also a member of the Boston University Alzheimer's Disease Research Center, where her primary effort is leading the development of the Memory Preservation Nutrition, a nutritional intervention for persons with early Alzheimer's disease. Nancy's work received International Recognition for the Development of an evidence-based Memory Preservation Nutrition (R) program.
