

Fall 2017 Lecture Series

Wednesday, September 13th, 2017

NOON – 1PM | L201

Advances in Alzheimer's Disease Genetics

Anita L. DeStefano, PhD

Professor of Biostatistics and Neurology
BU Schools of Public Health and Medicine
Associate Director, BUMC Genome Science
Institute

Director, Graduate Certificate Program in
Statistical Genetics

All BU Students, staff and faculty are welcome!

Lunch will not be served, but feel free to bring your own!

The BU Alzheimer's Disease Center's bi-monthly Lecture Series offers exciting presentations from basic and clinical scientists on key topics in Alzheimer's research.
