

2018 Lecture Series

Wednesday, December 5th, 2018
NOON – 1PM | 72 East Concord St |
Instructional Building | L 109C

Children, Football, and Neurodegeneration: Why Children Should Not Be Exposed to Repetitive Head Impacts

Dr. Robert Stern, PhD

Professor of Neurology, Neurosurgery, and
Anatomy & Neurobiology, BUSM
Director of the Clinical Core, BU AD & CTE Centers

All BU Students, staff and faculty are welcome!

Lunch will not be served, but feel free to bring your own!

The BU Alzheimer's Disease Center's Monthly Lecture Series offers exciting presentations from basic and clinical scientists on key topics in Alzheimer's research and related disorders.
