

CURRICULUM VITAE

ROBERT ANDREW STERN, Ph.D.

PERSONAL INFORMATION

Date of Birth: November 24, 1958
Place of Birth: Brookline, MA
Citizenship: United States
Marital Status: Married, four children

Telephone (Research): (617) 638-5678
Telephone (Clinical): (617)-638-7100
Fax Number: (617) 414-1197
Email: bobstern@bu.edu
Web Site: www.bu.edu/alzresearch

Mailing Address: Alzheimer's Disease Clinical and Research Program
Boston University School of Medicine
Robinson Complex, Suite 7800
715 Albany Street
Boston, MA 02118-2526

EDUCATION

Undergraduate: *Wesleyan University*, Psychology, Bachelor of Arts, 1980; *Honors in Psychology*; *Heideman Prize* for Community Contribution.

Graduate School: *University of Rhode Island*, Psychology, Master of Arts, 1984;
Elected to Membership of *Psi Chi* National Honor Society in Psychology,

University of Rhode Island, Clinical Psychology (Clinical Neuropsychology Specialization), Ph.D., 1988,
Dissertation: "Mood Disorders following Stroke." Elected to Membership of *Phi Kappa Phi* National Honor Society

INTERNSHIP AND POST-GRADUATE TRAINING

Internship: Department of Psychology, Department of Veterans Affairs Medical Center, Boston, MA; *Clinical Neuropsychology Specialization* (APA Approved); 1986 - 1987; Edith Kaplan, Ph.D., ABPP/ABCN, Mentor.

Post-doctoral Fellowship: Brain and Development Research Center and Department of Psychiatry, University of North Carolina School of Medicine, Chapel Hill, NC; *Neuropsychology and Psychoneuroendocrinology Specializations*; 1988 - 1990; Arthur J. Prange, Jr., M.D., Research Mentor.

OTHER TRAINING

Pre-doctoral Training:

Teaching Fellow

Department of Neurology (Neuropsychology)
Boston University School of Medicine, Boston, MA,
1986 - 1987.

Extern

Neuropsychology Clinic, Virks Rehabilitation Center,
Rhode Island Medical Center, Cranston, RI;
Neuropsychological Research; 1985 - 1986.

Extern

Fuller Memorial Hospital, South Attleboro, MA;
Clinical Psychology and Neuropsychology; 1984 - 1985.

Trainee

Psychological Consultation Center, Department of
Psychology, University of Rhode Island, Kingston, RI;
Psychotherapy; 1983 - 1985.

POST-GRADUATE HONORS AND AWARDS

Master of Arts ad eundem (honorary degree)

Brown University, 1997.

Independent Investigator Award

*National Alliance for Research on Schizophrenia & Depression
(NARSAD)*, 1997.

Outstanding Teaching Award in Psychology

*Department of Psychiatry and Human Behavior,
Brown University School of Medicine*, 1998-1999.

Fellow

American Neuropsychiatric Association, 2001

Fellow

National Academy of Neuropsychology, 2001

PROFESSIONAL LICENSES AND BOARD CERTIFICATIONS

Licensed Psychologist, Rhode Island #PS00491 (current).

Licensed Psychologist (Health Service Provider Certification),
Massachusetts #7238 (current).

Listed in National Register of Health Service Providers
in Psychology (HSM) #41781 (current).

Diplomate, American Board of Psychological Specialties
(Neuropsychology Specialty) (through 2005)

Licensed Psychologist, North Carolina #1560 (1990-1994).

ACADEMIC APPOINTMENTS

Associate Professor, 2004-Present
Department of Neurology
Boston University School of Medicine
Boston, MA

Associate Professor, 1996 – 2003
Assistant Professor, 1993 - 1996
Department of Psychiatry and Human Behavior
Brown Medical School
Providence, RI

Associate Professor, 1996 – 2003
Assistant Professor, 1993 - 1996
Department of Clinical Neurosciences (Neurology)
Brown Medical School
Providence, RI

Faculty Member, 2002 – 2003
Brain Science Program
Brown University
Providence, RI

Graduate Faculty, 1997 - Present
University of Rhode Island
Kingston, RI

Member, 2005 - Present
Adjunct Assistant Professor, 1994 – 2004
Behavioral Neuroscience Program
Division of Graduate Medical Sciences
Boston University School of Medicine
Boston, MA

Assistant Professor, 1990 - 1993
Clinical Instructor, 1988 - 1990
Department of Psychiatry
University of North Carolina School of Medicine
Chapel Hill, NC

ACADEMIC APPOINTMENTS (continued)

Clinical Assistant Professor, 1991 - 1993
Division of Speech and Hearing Sciences
Department of Medical Allied Health Professions
University of North Carolina School of Medicine
Chapel Hill, NC

HOSPITAL APPOINTMENTS

Clinical Neuropsychologist, 2004 - Present
Department of Neurology
Boston Medical Center
Boston, MA

Director, Memory and Cognitive Assessment Program,
1998 – 2003

Director, Neuropsychology Program, 1997 – 2003

Director, Neurobehavioral Research, 1993 – 2003

Clinical Neuropsychologist, 1993 – 2003

Department of Psychiatry
Rhode Island Hospital
Providence, RI

Clinical Neuropsychologist, 1993 – 2003

Women's and Infants Hospital
Providence, RI

Supervising Clinical Neuropsychologist, 1994 - 1995

Slater Hospital
Cranston, RI

Director, Adult Neuropsychology Laboratory, 1990 - 1993

Clinical Neuropsychologist, 1990 - 1993

UNC Hospitals
Chapel Hill, NC

Assistant in Neuropsychology, 1986 - 1988

Department of Neurology
McLean Hospital
Belmont, MA

OTHER APPOINTMENTS

Co-Director, 2008 – Present
Sports Legacy Project
Boston University School of Medicine, Boston, MA

Member, Editorial Board, 2008 – Present
Archives of Clinical Neuropsychology

Member, Medical & Scientific Advisory Committee, 2007 - Present
Massachusetts Chapter, Alzheimer's Association

Member, Medical Advisory Board, 2007 – Present
Sports Legacy Institute, Cambridge, MA

Consultant, 2007 – Present
Outcome Science, Cambridge, MA

Co-Director, 2006 - Present
Associate Director, 2004 – 2006
Director of Neuropsychology, 2004 – Present
Alzheimer's Disease Clinical and Research Program
Department of Neurology
Boston University School of Medicine
Boston, MA

Member, Awards Committee, 2006 – Present
American Neuropsychiatric Association

Associate Director, 2004 - Present
Clinical Core
Alzheimer's Disease Core Center (NIA-Funded)
Boston University School of Medicine
Boston, MA

Clinical Neuropsychologist, 2004 - Present
Boston University Neurology Associates
Boston, MA

Consultant, 2004 – 2006
“A Longitudinal Study of Hazardous Drivers with Dementia”
NIA-Funded R01 (Brian Ott, PI)
Department of Neurology
Memorial Hospital of Rhode Island/Brown Medical School

Consultant, 2004 – 2006
“A Telephone Intervention for Dementia Caregivers”
NIMH-Funded R21 (Geoffrey Tremont, PI)
Department of Psychiatry
Rhode Island Hospital/Brown Medical School

Coordinator of Neuropsychology Track, 2001 - 2002
Internship Training Program
Brown Clinical Psychology Training Consortium
Brown Medical School

OTHER APPOINTMENTS (continued)

Consulting Editor, 2001 - 2003
Assessment

Ad hoc Reviewer, 2000
Special Emphasis Panel – ZMH1-CRB-B01 (Study Section)
National Institute of Mental Health

Meeting Development Coordinator, 1999 - 2001
International Neuropsychological Society

Co-Director, 1999 Annual Meeting
Co-Director, 1998 Annual Meeting
Co-Director, 1997 Annual Meeting
Member of Scientific Program Committee, 1995 - 1999
American Neuropsychiatric Association

Member of Editorial Board, 1999 – Present
Biologine Psichiatrija ir Psichofarmakologija (Lithuanian journal;
“Biological Psychiatry and Psychopharmacology”)

Ad hoc Reviewer, 1999
Small Business Research Review
Committee (Study Section)
National Institutes of Health

Associate Editor, 1998 - Present
Journal of Neuropsychiatry and Clinical Neurosciences

Member, 1998 - Present
Initial Review Board of the Medical and Scientific Advisory
Council
Alzheimer’s Association

Member, 1998 - 1999
Independent Neuropsychological Review Committee
V.A. Cooperative Study #029, “Evaluation of a Computer-Assisted
Neuropsychological Screening Battery”
Department of Veterans Affairs

Member, 1997 - 1999
Program Committee
International Neuropsychological Society

Member, 1996 - 1998
Ad hoc Reviewer, 1995
Mental Health Small Business Research Review
Committee (Study Section)
National Institute of Mental Health

Member, 1993 - Present
Medical Advisory Board
National Graves' Disease Foundation

OTHER APPOINTMENTS (continued)

Member, 1995 - 1997
Scientific Advisory Committee
Division 40 (Clinical Neuropsychology)
American Psychological Association

Member, 1995 - 1996
Reviewers Reserve (NRR; Study Sections)
National Institutes of Health

Associate Chair, 1995 - 1996
Committee for the Protection of the Rights of Human
Subjects (IRB)
Rhode Island Hospital

Consultant, 1995 – 2003
“HIV: Neuropsychiatric and Psychoimmune Relationships”
NIMH-Funded R01
Department of Psychiatry
University of Pennsylvania

Ad hoc Reviewer, 1993
Mental Health AIDS and Immunology Review
Committee: Psychobiological, Biological, and
Neuroscience Subcommittee (Study Section)
National Institute of Mental Health

Associate Center Director, 1992 - 1993

Acting Director, Data Management/Biostatistics Core,
1992 - 1993

Director, Neurobehavioral Assessment Core, 1991 - 1993
NIMH-funded Mental Health Clinical Research Center
Department of Psychiatry
University of North Carolina School of Medicine
Chapel Hill, NC

Research Scientist, 1991 - 1993
Brain and Development Research Center
University of North Carolina School of Medicine
Chapel Hill, NC

Consultant, 1991-1992
Cato Research, Ltd. (Clinical Trials Design and Implementation)
Durham, NC

Project Director, 1980 - 1982
The Andover Peer Counseling Project
U.S. Dept. of Education Title IV-C Dissemination Project
Andover, MA

HOSPITAL COMMITTEES

Library Committee, 1999 – 2002
Lifespan (Rhode Island Hospital and Miriam Hospital)

Continuing Medical Education Subcommittee, 1998 – 2000
Department of Psychiatry
Rhode Island Hospital

*Committee for the Protection of the Rights of Human
Subjects (IRB)*, 1994 - 1996
Member of Executive Committee, 1995 - 1996
Rhode Island Hospital

Leadership Committee, 1994 - 1995
Department of Psychiatry
Rhode Island Hospital

UNIVERSITY COMMITTEES

Training Committee, 2001 – 2002
Brown University Clinical Psychology Training Consortium
Brown Medical School

*Brown University Geriatric Neuropsychiatry Research and
Treatment Program*, 1995 – Present (ending 1/31/2003)
Brown Medical School

Search Committees (various), 1997 – Present (ending 1/31/2003)
Brown Medical School

Research Committee, 1994 – 1997
Department of Psychiatry and Human Behavior
Brown Medical School

MEMBERSHIP IN SOCIETIES

American Neuropsychiatric Association (*Fellow*)

International Neuropsychological Society

International Society to Advance Alzheimer Research and Treatment

American Psychological Association
Division 40, Clinical Neuropsychology
Division 12, Clinical Psychology

National Academy of Neuropsychology (*Fellow*)

Massachusetts Neuropsychological Society

Neuropsychological functioning in HIV infection: The protective effect of cognitive reserve. Paper presented at the 1994 annual meeting of the North Carolina Chapter of the Society for Neuroscience, Durham, NC, May 10, 1994.*
30. *Stern, R.A., Morey, C.E., Thorner, A.R., Perry, J.R., McCartney, W., & Prange, A.J. Jr. (1994). Neurobehavioral functioning in Graves' thyrotoxicosis. Poster presented at the 2nd Annual Rhode Island Hospital/Women and Infants Hospital Research Poster Day, Providence, October 6, 1994.*
31. *Stern, R.A., Silva, S.G., Chaisson, N. & Evans, D.L. (1994). The impact of "cognitive reserve" on neuropsychological functioning in asymptomatic seropositive gay men. Poster presented at the 2nd Annual Rhode Island Hospital/Women and Infants Hospital Research Poster Day, Providence, October 6, 1994.*
32. *Arruda, J.E., Stern, R.A., Hooper, C.R., Wolfner, G.W., Somerville, J.A., & Bishop, D.S. 1995. Visual analogue mood scales to measure internal mood state in aphasic patients: Description and initial validity evidence with normal and neurologically impaired subjects. Poster presented at the 3rd Annual Rhode Island Hospital/Lifespan Research Day, Providence, October, 1995.*
33. *Cahn, D.A., Marcotte, A.C., Stern, R.A., Arruda, J.E., Akshoomoff, N.A., & Leshko, I.C. (1995). Qualitative features of visuocstructional performance in children with attention deficit hyperactivity disorder. Poster presented at the 3rd Annual Rhode Island Hospital/Lifespan Research Day, Providence, October, 1995.*

NATIONAL AND REGIONAL PRESENTATIONS (continued)

34. **Stern, R.A., Robinson, B., Arruda, J.E., & Prange, A.J. Jr.** (1995). A survey study of neuropsychiatric complaints in patients with Graves' disease. Poster presented at the 3rd Annual Rhode Island Hospital/Lifespan Research Day, Providence, October, 1995.
35. Clough, W., **Stern, R.A., Somerville, J., & McMichael, J.** (1996). A P-1 placebo-controlled double-blinded trial for 2CVV in Chronic Fatigue Syndrome (CFS) patients. Poster presented at the 1996 Research and Clinical Conference of the American Association for Chronic Fatigue Syndrome, San Francisco, October 13-17, 1996.
36. Petitto, J., Leserman, J., Perkins, D.O., **Stern, R.A.,** Gettes, D., Zheng, B., Pendergast, J., Folds, J., Golden, R., & Evans, D.L. (1996). Major depression, HIV disease progression, and decline in CD4⁺ lymphocytes: Preliminary analyses from a 5 year follow-up study. Paper presented at the 35th annual meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico, December 9-13, 1996.
37. Silva, S.G., Jackson, E.D., Leserman, J., **Stern, R.A.,** Golden, R.N., & Evans, D.L. (1996). Stress and HIV-related neuropsychological change. Paper presented at the Annual meeting of the American Psychiatric Association, New York, May 4-9, 1996.
38. Evans, D.L., Petitto, J.M., Perkins, D.O., Leserman, J., **Stern, R.A.,** Zheng, B., Hall, C., van der Horst, C., Folds, J., & Golden, R. (1997). Mood disorders in HIV infection. Paper presented in the symposium entitled, "Diagnosing and Treating Depression in Patients with Physical Illness" (E. Stover, Chair), at the Annual meeting of the American Psychiatric Association, San Diego, May 17-22, 1997.
39. Martin, E.M., Pitrak, D.L., Mullane, K.M., Pursell, K.J., Novak, R.M., Carson, V.L., *Arruda, J.E., Somerville, J.A., & Stern, R.A.* (1997). Reaction time performance of HIV-seropositive women. Poster presented at the National Conference on Women and HIV: Innovation for Care, Policy and Prevention. Los Angeles, May 4-7, 1997.
40. *Latham, J.A., Tremont, G., Somerville, J.A., Arruda, J.E., & Stern, R.A.* (1998). Assessing internal mood state in dementia: Validation of the Visual Analog Mood Scales. Poster presented at the 6th Annual Lifespan Hospital Research Celebration, Providence, RI, November 17-18, 1998.
41. *Somerville, J.A., Tremont, G., & Stern, R.A.* (1999). The measurement of executive functioning: A convergent validity study of the Boston Qualitative Scoring System (BQSS) for the Rey-Osterrieth Complex Figure. Poster presented at the 6th Annual Lifespan Hospital Research Celebration, Providence, RI, November 17-18, 1998.
42. **Stern, R.A.** (1999). The use of thyroid hormones to diminish the cognitive side effects of psychiatric treatment. Paper presented in the symposium entitled, "Thyroid Hormone: Neurobiology & Treatment in Depression" (M.A. Frye, Chair), at the Annual Meeting of the American Psychiatric Association, Washington, DC, May 15-20, 1999.
43. *Javorsky, D. & Stern, R.A.* (1999). Validity of the Boston Qualitative Scoring System (BQSS) for the Rey-Osterrieth Complex Figure in discriminating between Alzheimer's and vascular dementia. Poster presented at the 7th Annual Lifespan Hospital Research Celebration, Providence, RI, November 9-10, 1999.

NATIONAL AND REGIONAL PRESENTATIONS (continued)

44. **Stern, R.A.** & Tremont, G. (2000). Neurobehavioral Functioning in Thyroid Disorders. Special Topics Presentation at the 20th Annual Conference of the National Academy of Neuropsychology, Orlando, Florida, November 15-18, 2000.
45. **Stern, R.A.** (2000). An Introduction to the Boston Qualitative Scoring System for the Rey-Osterrieth Complex Figure. Continuing Education Workshop at the 20th Annual Conference of the National Academy of Neuropsychology, Orlando, Florida, November 15-18, 2000.
46. *Bishop, C.L., Westervelt, H.J., & Stern, R.A.* (2002). Severe, refractory depression and the development of a buccofacial movement disorder in a patient with vascular dementia secondary to polycythemia vera: A case study. Poster to be presented at the Tenth Annual Rhode Island Hospital Research Celebration, Providence, October 2002.
47. **Stern, R.A., Bishop, C.L., & Javorsky, D.J.** (2002). Nine-year longitudinal case study of progressive dementia pugilistica. Poster presented at the Tenth Annual Rhode Island Hospital Research Celebration, Providence, October 2002.
48. **Stern, R.A.** & White, T. (2003). An Introduction to the Neuropsychological Assessment Battery (NAB). Continuing Education Workshop at the 23rd Annual Conference of the National Academy of Neuropsychology, Dallas, Texas, October 15-18, 2003.
49. **Stern, R.A.** (2004). Construct and Ecological Validity Evidence for the Neuropsychological Assessment Battery (NAB). Paper presented as part of the Symposium, *Introduction to the Neuropsychological Assessment Battery (NAB)* presented at the 112th Annual Meeting of the American Psychological Association, Honolulu, Hawaii, July 28 – August 1, 2004.
50. **Stern, R.A.** & White, T. (Co-Chairs) (2004). Introduction to the Neuropsychological Assessment Battery (NAB). Symposium presented at the 112th Annual Meeting of the American Psychological Association, Honolulu, Hawaii, July 28 – August 1, 2004.
51. **Stern, R.A.** & White, T. (2004). Introduction to the Neuropsychological Assessment Battery (NAB). Paper presented as part of the Symposium, *Introduction to the Neuropsychological Assessment Battery (NAB)* presented at the 112th Annual Meeting of the American Psychological Association, Honolulu, Hawaii, July 28 – August 1, 2004.
52. **Stern, R.A.** & White, R. (2004). Clinical Utility of the Neuropsychological Assessment Battery (NAB). Paper presented as part of the Symposium, *Introduction to the Neuropsychological Assessment Battery (NAB)* presented at the 112th Annual Meeting of the American Psychological Association, Honolulu, Hawaii, July 28 – August 1, 2004.

INTERNATIONAL PRESENTATIONS (does *not* include those presentations abstracted above)
(*Past and present students, fellows, and other trainees italicized*)

1. Susset, V., Raymond, P.F., Freedman, F., Abrams, R., & **Stern, R.A.** (1986). Rehabilitation performance predictors: Age, mood, intensity of medical status, and family availability. Paper presented at the meeting of the Dinsdale International Conference in Rehabilitation, Ottawa.
2. Susset, V., Raymond, P.F., & **Stern, R.A.** (1988). Quality assessment in rehabilitation: An innovative multidisciplinary model. Paper presented at the 10th Congress of the International Federation of Physical Medicine and Rehabilitation, Toronto.
3. Evans, D.L., Leserman, J., Perkins, D.O., **Stern, R.A.**, van der Horst, C.M., Hall, C.D. & Folds, J.D. (1991). Stress related reduction of natural killer cells in HIV. Paper presented at the VII International Conference on AIDS, Florence, Italy, June 16-21, 1991.
4. **Stern, R.A.**, *Singer, N.G.*, Perkins, D.O., *Silva, S.G.*, Hall, C.D., van der Horst, C.M., & Evans, D.L. (1991). Neurobehavioral impairments in early asymptomatic HIV infection: The effects of education, CD4 count, B12 level, and depression. Paper presented at the VII International Conference on AIDS, Florence, Italy, June 16-21, 1991.
5. **Stern, R.A.**, *Gortner, D.T.*, *Bostancic, F.*, Dahlstrom, W.G., & Evans, D.L. (1992). MMPI-2 assessment of personality traits in asymptomatic HIV seropositive gay men. Paper presented at Neuroscience of HIV Infection: Basic and Clinical Frontiers 1992, a satellite meeting for the VIII International Conference on AIDS, Amsterdam, The Netherlands, July 14-17, 1992.
6. **Stern, R.A.**, *Silva, S.G.*, *Gortner, D.T.*, *Daughtrey, E.W.*, Perkins, D.O., Leserman, J., & Evans, D.L. (1992). Relationship between baseline neurobehavioral functioning and six-month change in immune markers in asymptomatic HIV seropositive gay men. Paper presented at Neuroscience of HIV Infection: Basic and Clinical Frontiers 1992, a satellite meeting for the VIII International Conference on AIDS, Amsterdam, The Netherlands, July 14-17, 1992.
7. **Stern, R.A.**, *Silva, S.G.*, Thompson, K., Murphy, C., *Daughtrey, E.*, *Gortner, D.T.*, & Evans, D.L. (1992). Endocrine correlates of neurobehavioral functioning in asymptomatic HIV-1 seropositive gay men. Paper presented at Neuroscience of HIV Infection: Basic and Clinical Frontiers 1992, a satellite meeting for the VIII International Conference on AIDS, Amsterdam, The Netherlands, July 14-17, 1992.
8. **Stern, R.A.**, *Singer, N.G.*, *Silva, S.G.*, Rogers, C.D., Hall, C.D., & Evans, D.L. (1992). Neurobehavioral functioning in a non-confounded cohort of asymptomatic HIV-seropositive gay men: The effects of education, SES, CD4 count, B12 level, and depression. Paper presented at the 1992 annual meeting of the International Neuropsychological Society, San Diego, February 1992.
9. **Stern, R.A.** (1999). The use of thyroid hormones to diminish the cognitive side effects of ECT and Lithium. Paper presented in the symposium entitled, " Antidepressant Augmentation by Thyroid Hormones: Basic and Clinical Aspects" (Bernard Lerer and Russell T. Joffe, Chairs), at the Annual Meeting of the International Society of Psychoneuroendocrinology, Orlando, FL, July 30-August 3, 1999.

INTERNATIONAL PRESENTATIONS (continued)

10. **Stern, R.A.** (2000). The use of thyroid hormones to diminish the cognitive side effects of ECT and Lithium. Paper presented in the symposium entitled, "Thyroid Hormones as Mood Modulators" (Peter C. Whybrow and Michael Bauer, Chairs), at the Second International Congress on Hormones, Brain, and Neuropsychopharmacology, Rhodes, Greece, July 15-19, 2000.
11. Steinberg, E.G., *Barrup, M., Goodman, D., Levinson, S., Stern, R.A.,* and Green, R.C. (2006). Factors associated with advance agreement to brain donation. Poster presented at the 10th International Conference on Alzheimer's Disease and Related Disorders, Madrid, Spain, July 15-20, 2006.
12. *Gavett, B.E., Poon, S.J., Ozonoff, A., Jefferson, A.L., Nair, A.K., Green, R.C., and Stern, R.A.* (2008). The Diagnostic Utility of the NAB List Learning Test in the Assessment of Alzheimer's Disease and Mild Cognitive Impairment. Poster to be presented at the 11th International Conference on Alzheimer's Disease, Chicago, IL, July 26-31, 2008.
13. Seltzer, B., *Barrup, M.S., Bliss, C.A., Gonzalez, B., Steinberg, E., Gavett, B., Jefferson, A.L., Nair, A., Green, R.C., and Stern, R.A.* (2008). Cognitive Complaints in mild cognitive impairment and Alzheimer's disease. Poster to be presented at the 11th International Conference on Alzheimer's Disease, Chicago, IL, July 26-31, 2008.
14. **Stern, R.A.,** D'Ambrosio, L.A., Mohyde, M., *Carruth, S., Tracton-Bishop, B., Hunter, J.C., Hellyar, C., Olshevski, J., Daneshvar, D.H.,* and Coughlin, J.F. (2008). At the Crossroads: Development and Evaluation of a Dementia Caregiver Group Intervention to Assist in Driving Cessation. Paper to be presented at the 11th International Conference on Alzheimer's Disease, Chicago, IL, July 26-31, 2008.
15. **Stern, R.A.,** *Chung, W.W., Chen, C.A., Cupples, L.A., Roberts, L.S., Hiraki, S.C., Nair, A.K.,* and Green, R.C. (2008). Development of a New Scale Measuring Psychological Impact Of Genetic Susceptibility Testing For Alzheimer's Disease. Poster to be presented at the 11th International Conference on Alzheimer's Disease, Chicago, IL, July 26-31, 2008.

INVITED PRESENTATIONS (does not include local civic or community organizations)

1. *Mood Disorders and Cerebrovascular Disease*. Department of Psychiatry, Rhode Island Hospital, Brown University School of Medicine, Providence, RI, May 16, 1989.
2. *Mood Disorders following Stroke*. Continuing Education Course, Greensboro (NC) Area Health Education Center, December 8, 1989.
3. *Assessment and Diagnosis of Post-Stroke Mood Disorders*. Continuing Education Course, Westboro (MA) State Hospital, January 4, 1990.
4. *How to Design a Clinical Trial*. Third annual meeting of the Southern Association for Research in Psychiatry. Chapel Hill, NC, March 3, 1990.
5. *Assessment and Diagnosis of Post-Stroke Mood Disorders*. Whittiker Rehabilitation Center, Bowman-Gray Medical Center, Winston-Salem, NC, May 25, 1990.
6. *Neurobehavioral Syndromes: Assessment and Diagnosis*. Continuing Education Workshop, Mountain Area Health Education Center, Asheville, NC, August 17 & 31, 1990.
7. *Theories and Models of Human Cognition: Learning and Memory*. Advanced Workshops in Traumatic Brain Injury Rehabilitation, Peace Rehabilitation Center, Greenville, SC, September 22, 1990.
8. *Neurobehavioral Syndromes*. Continuing Education Course, Broughton Hospital, Morganton, NC. October 19, 1990.
9. *Neuropsychology of Aging*. Continuing Education Workshop, Mountain Area Health Education Center, Asheville, NC, December 11, 1990.
10. *States of Mind*. Series of lectures on brain-behavior relationships to selected educators during week-long seminar/retreat, The North Carolina Center for the Advancement of Teaching, Cullowhee, NC, February 24 - March 1, 1991.
11. *How to Design a Clinical Trial*. Psychiatry Grand Rounds, Bowman-Gray School of Medicine, Winston-Salem, NC. March 1, 1991.
12. *Mood Disorders Following Stroke*. Psychiatry Grand Rounds, University of North Carolina School of Medicine, Chapel Hill, NC. March 14, 1991.
13. *Normal and Pathological Aging: Neurocognitive Functioning*. Continuing Education Course, Broughton Hospital, Morganton, NC. July 26, 1991.
14. *Neurobehavioral Functioning in a Non-Confounded Cohort of Asymptomatic HIV Seropositive Gay Men*. National Institute of Mental Health (NIMH) sponsored meeting, Neurobehavioral Findings in AIDS Research, Washington, DC, September 12, 1991.
15. *Neuropsychiatric Disorders: Post-Stroke Depression and AIDS-Related Neurobehavioral Impairment*. Annual meeting of the North Carolina Speech and Hearing Association, Wilmington, NC, April 1-4, 1992.
16. *Neurobehavioral Syndromes*. Continuing Education Course, Johnston County (NC) Mental Health Center, September 18, 1992.

INVITED PRESENTATIONS (continued)

17. *Neurobehavioral Aspects of HIV Infection: Children and Adults*. Child Psychiatry Grand Rounds, Brown University School of Medicine, Providence, RI, October 13, 1993.
18. *New Directions in Psychoneuroimmunology: Neuropsychiatric Correlates of HIV Infection*. Boston Behavioral Immunology Study Group, Boston, MA, December 14, 1993.
19. *Neuropsychiatric Aspects of Thyroid Disorders*. Endocrinology Grand Rounds, Rhode Island Hospital, Providence, RI, March 3, 1994.
20. *Diabetes and the Brain*. Cape Anne Chapter of the American Diabetes Association, Rockport, MA, March 17, 1994.
21. *Post-Stroke Mood Disorders*. Neurology Grand Rounds, Brown University School of Medicine, Providence, RI, March 23, 1994.
22. *Behavioral Abnormalities in Dementia*. Gerontology '94: Brain and Behavior, a conference sponsored by the Rhode Island Department of Elderly Affairs, Cranston, RI, April 29, 1994.
23. *Differential Diagnosis of Psychiatric Disorders in Neurologic Patients: Assessment of Mood*. Applications of Neuropsychological Expertise to Clinical Practice in Psychology. Boston Department of Veterans Affairs Medical Center and Tufts New England Medical Center, Boston, MA, June 3, 1994.
24. *Brain-Behavior Relationships: Appropriate Use and Benefits of Neuropsychological Evaluation*. Grand Rounds. Department of Medicine, Rhode Island Hospital, Providence, RI, November 15, 1994.
25. *Neuropsychiatric Aspects of HIV and AIDS*. General Internal Medicine Research Seminar. Rhode Island Hospital, Providence, RI, November 17, 1994.
26. *An Overview of Neurobehavioral Syndromes*. Eleanor Slater Hospital Lecture Series, Cranston, RI, April 12, 1995.
27. *The Dementias: Cognitive and Behavioral Characteristics*. Eleanor Slater Hospital Lecture Series, Cranston, RI, April 19, 1995.
28. *The Neuropsychiatric Aspects of HIV and AIDS*. Eleanor Slater Hospital Lecture Series, Cranston, RI, April 26, 1995.
29. *Diabetes and the Brain*. Cape Anne Chapter of the American Diabetes Association, Rockport, MA, October 19, 1995.
30. *Thyroid Disorders and Psychiatry*. Grand Rounds, St. Luke's Hospital, New Bedford, MA, March 5, 1996.
31. *Neurobehavioral Aspects of Thyroid Disorders*. Lecture Series, Department of Endocrinology, University of Virginia School of Medicine, Charlottesville, VA, March 26, 1996.
32. *Neuropsychiatric Aspects of Thyroid Disorders*. Psychiatry Lecture Series, Rhode Island Hospital, Providence, RI, April 10, 1996.

INVITED PRESENTATIONS (continued)

33. *Neurobehavioral Aspects of Graves' Disease*. Keynote Address, Third Annual Meeting of the New England Thyroid Club, Westborough, MA. April 19, 1996.
34. *Neuropsychological Evaluation of Executive Functioning*. "Neuropsychiatry for Clinicians" section of the *Psychiatry Update* session of the 149th Annual Meeting of the American Psychiatric Association, New York, May 7, 1996.
35. *Assessment of Mood State and Depression in Neurodegenerative Disease*. Geriatric Case Conference and Journal Club. Butler Hospital, June 19, 1997.
36. *The Thyroid Axis in Mood Disorders: Thoughts About Therapy* (Discussant). The 14th Annual George C. Ham Symposium (A Festschrift Celebrating the Career of Arthur J. Prange, Jr.). Chapel Hill, NC, November 2, 1997.
37. *Neuropsychiatric Manifestations of HIV Infection*. Psychiatry Grand Rounds. Department of Veterans Affairs Medical Center. Providence, RI, December 19, 1997.
38. *Quantifying the Qualitative Features of Rey-Osterrieth Complex Figure Performance: The Boston Qualitative Scoring System (BQSS)*. Continuing Education Lecture. Massachusetts Neuropsychological Society, Boston, MA, May 5, 1998.
39. *Assessment of Mood State and Depression in Aphasia*. Aphasia: Assessment, Treatment, and Emotional Issues Symposium. 19th Annual Neurorehabilitation Conference on Traumatic Brain Injury and Stroke. (Sponsored by the Healthsouth Braintree Rehabilitation Hospital.) Cambridge, MA, November 8, 1998.
40. Session Chair, *Emotion 2*, 27th Annual Meeting of the International Neuropsychological Society, Boston, MA, February 12, 1998.
41. *Assessment of Mood and Depression in Neurologic Disease*. Spring Lecture Series. Department of Communicative Disorders, University of Rhode Island, Kingston, RI, April 27, 1999.
42. *The Use of Thyroid Hormone to Diminish the Cognitive Side Effects of Psychiatric Treatment*. Psychiatry Grand Rounds, McMaster University Medical Center, Hamilton, Ontario, Canada, June 16, 1999.
43. *Cognitive Rehabilitation: A Neuropsychological Perspective*. "Frontiers of Hope;" Annual National Meeting for Patients, Families, and Health Care Professionals; Brain Tumor Society, Providence, RI, November 13-14, 1999.
44. *Neurobehavioral Functioning in Thyroid Disease*. Neurology Grand Rounds, Brown University School of Medicine, Rhode Island Hospital, Providence, RI, March 1, 2000.
45. *Surviving a Brain Tumor: Understanding Changes in Thinking and Memory*. Featured speaker for an international educational teleconference for brain tumor survivors and family members, co-sponsored by the Brain Tumor Society, the American Brain Tumor Association, the National Brain Tumor Foundation, and Cancer Care, Inc., June 14, 2000.
46. *The Use of Thyroid Hormone to Diminish the Cognitive Side Effects of ECT and Lithium*. Geriatric Psychiatry Case Conference and Journal Club (CME activity), Butler Hospital, Providence, RI, December 14, 2000.

INVITED PRESENTATIONS (continued)

47. *The Thyroid-Brain Connection: Neuropsychological and Behavioral Aspects of Thyroid Disorders*. Keynote Speaker, Psi Chi Induction Ceremony, Providence College, Providence, RI, April 29, 2002.
48. *The Invisible Disability: Living with the Cognitive and Behavioral Changes from a Brain Tumor*. "Living Beyond a Brain Tumor 2002: A brain tumor symposium for patients, families, and healthcare professionals. Brain Tumor Society, Quincy, MA, September 21, 2002.
49. *Neuropsychology of Thyroid Disease*. Behavioral Neuroscience Seminar Series. Brigham and Women's Hospital, Harvard Medical School, Boston, MA, December 5, 2002.
50. *The Role of Thyroid Functioning in the Aging Brain and Dementia*. Seminar Series, Alzheimer's Disease Center, Boston University School of Medicine, Boston, MA, June 16, 2003.
51. *The Neuropsychological Assessment Battery (NAB)*. Continuing Education Workshop, Colorado Neuropsychological Society, Denver, CO, December 12, 2003.
52. *The Neuropsychological Assessment Battery (NAB)*. Continuing Education Workshop, Georgia Psychological Association, Emerald Pointe, GA, January 23, 2004.
53. *The Neuropsychological Assessment Battery (NAB): Development and Psychometric Properties*. Continuing Education Workshop, 1st Professional Neuropsychology Weekend Conference, Coalition of Clinical Practitioners in Neuropsychology, Las Vegas, NV, January 24, 2004.
54. *The Neuropsychological Assessment Battery (NAB): Administration, Scoring, and Interpretation*. Continuing Education Workshop, 1st Professional Neuropsychology Weekend Conference, Coalition of Clinical Practitioners in Neuropsychology, Las Vegas, NV, January 24, 2004.
55. *The Utility of the Neuropsychological Assessment Battery (NAB) in the Evaluation of Adult Neurodevelopment Disabilities*. Continuing Education Workshop, Annual Conference of Contemporary Applications of Psychological Testing, Harvard Medical School, Boston, MA, April 1, 2004.
56. *The Neuropsychological Assessment Battery (NAB)*. Workshop presented at the annual meeting of the International Test Commission, Williamsburg, VA, October 8, 2004.
57. **Stern, R.A.** & Tremont, G. *Neurobehavioral Functioning in Thyroid Disorders*. Continuing Education Seminar presented at the 32nd Annual Conference of the International Neuropsychological Society, Las Vegas, NV, February 4-7, 2005.
58. *The Role of Thyroid Functioning in the Aging Brain and Dementia*. Psychiatry Grand Rounds, Edith Norse Veterans Administration Medical Center, Bedford, MA, December 8, 2004.
59. *Thyroid-Brain Relationships in Aging and Dementia*. Neurology Grand Rounds, Boston University School of Medicine, Boston, MA, March 15, 2005.
60. *Cognitive & Memory Changes in Aging & Dementia*. Mini-Med School, Boston University School of Medicine, Boston, MA, March 22, 2005.

61. *Alzheimer's Disease Research in 2005: Where are we and Where are we Going?* Keynote Address, 5th Annual Boston Alzheimer's Partnership Legislative Breakfast. Dorchester, MA, May 12, 2005.
62. *Alzheimer's Disease Research in 2005*. Keynote Address, "Alzheimer's Disease: Finding New Pathways," Berkshire Area Health Education Center Conference, Hancock, MA, June 7, 2005.
63. *Research Update*. Alzheimer's Association annual "Map Through the Maze," Marlboro, MA, May 3, 2006.
64. *Advances in Alzheimer's Disease: Diagnosis and Care of Women*. 14th Annual Congress on Women's Health, Hilton Head, SC, June 4, 2006
65. *New Discoveries and Directions in Alzheimer's Disease Research and Care*. A Briefing for the Bipartisan Congressional Task Force on Alzheimer's Disease. The Rayburn House Office Building, Washington, DC., January 16, 2007.
66. *Research Update*. Alzheimer's Association annual "Map Through the Maze," Marlboro, MA, May 2, 2007.
67. *Driving and Dementia*. Social Work Practice with Older Adults: A Continuing Education and Certificate Training Opportunity, Boston College Graduate School of Social Work, Boston, MA June 27-29, 2007
68. *Driving and Dementia: Balancing Personal Independence and Public Safety*. Alzheimer's Association annual "Map Through the Maze," Marlboro, MA, May 14, 2008.
69. *Elderly Drivers: A Difficult Balance of Personal Independence and Public Safety*. Northeast Women's Health & Older Adult Care Conference, Falmouth, MA June 28, 2008.

GRANTS AND CONTRACTS

Active

1.

Title: Subclinical Hypothyroidism: Mood, Cognition and the Effect of L-Thyroxine Treatment

Role in Project: Principal Investigator

Type of Grant: R01: 1R01MH080295-01A2 (Approved by Council 5/23/08; expected startup 7/1/08)

Funding Agency: NIMH

Years Funded: 2008-2013

Total Direct Costs: \$ 2,521,671

2.

Title: Assessment of Driving Safety in Aging, MCI and Dementia

Role in Project: Principal Investigator

Type of Grant: Investigator-Initiated Research Grant

Funding Agency: Alzheimer's Association

Years Funded: 2008-2011

Total Direct Costs: \$240,000

3.

Title: Neuropathologic Examination of Traumatic Encephalopathy in Athletes with Histories of Repetitive Concussion

Role in Project: Co-Principal Investigator (with A. McKee)

Type of Grant: Supplement to P30 Center Grant (N. Kowell, P.I); P30-AG13846

Funding Agency: National Institute on Aging

Years Funded: 2008-2009

Total Direct Costs: \$100,000

4.

Title: Objective Biomarkers for Alzheimer's Disease in the Retina

Role in Project: Principal Investigator, Subcontract (Co-Investigator on Overall Project)

Type of Grant: Investigator-Initiated Research Grant (G. Feke, P.I.)

Funding Agency: Alzheimer's Association

Years Funded: 2008-2011

Total Direct Costs: \$240,000 (\$81,000 Subcontract)

5.

Title: Clinical Core, Boston University Alzheimer's Disease Core Center

Role in Project: Associate Director; Co-Investigator

Type of Grant: P30 Center Grant (R. Green, Clinical Core Director; N. Kowell, P.I); P30-AG13846

Funding Agency: National Institute on Aging

Years Funded: 2006-2011

Total Direct Costs: \$965,065

Continued

GRANTS AND CONTRACTS (Continued)

6.

Title: Multi-Center Trial to Evaluate Home-Based Assessment Methods for Alzheimer's Disease Prevention Research in People Over 75 Years Old

Role in Project: Site Principal Investigator

Type of Grant: Contract with Alzheimer's Disease Cooperative Study: NIH / NIA - CFDA #93.866

Grant Number: U01 AG10483

Funding Agency: National Institute on Aging

Years Funded: 2007-2012

Total Direct Costs: \$117,750

7.

Title: A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel Group, Efficacy and Safety Trial of Bapineuzumab (AAB-001, ELN115727) in Patients with Mild to Moderate Alzheimer's Disease who are Apolipoprotein E 4 Non-Carriers (Protocol ELN115727-301) and Carriers (Protocol ELN115727-302)

Role in Project: Site Principal Investigator

Type of Grant: Contract for Clinical Trial

Funding Agency: Elan Pharmaceuticals

Years Funded: 2008-2012

Total Direct Costs: \$500,000

8.

Title: Exceptional Survival and Longevity in New England

Role in Project: Site Neuropsychologist

Type of Grant: U01 Multi-site study (T. Perls, PI); U01 AG023755

Funding Agency: National Institute on Aging

Years Funded: 2004-2009

Total Direct Costs: \$2,073,781

9.

Title: Risk Evaluation and Education for Alzheimer's Disease (REVEAL III)

Role in Project: Co-Investigator.

Type of Grant: R01 (R. Green, P.I.); R01 HG/AG02213

Funding Agency: NIH

Years Funded: 2006-2009

Total Direct Costs: \$1,992,415

10.

Title: MBSR Intervention to reduce stress in AD caregivers

Role in Project: Co-Investigator.

Type of Grant: R21 (L. Fredman); R21 AT002959-01A2

Funding Agency: NIH

Years Funded: 2007-2010

Total Direct Costs: \$400,000

Continued

ACTIVE GRANTS AND CONTRACTS (continued)

11.

Title: Geriatric Medicine, Dentistry and Psychiatry Fellowship at Boston University
Role in Project: Faculty Member and Seminar Series Director
Type of Grant: Geriatric Fellowship Training Grant (S.Levine, PI); 6 DO1 HP08796
Funding Agency: Bureau of Health Professions (DHHS)
Years Funded: 2007-2010
Total Direct Costs: \$749,761 (yr 1)

Pending Grants and Contracts

1.

Title: Older Breast Cancer Patients: Risk for Cognitive Decline
Role in Project: Principal Investigator (Multiple PI)
Type of Grant: R01: 1R01CA129769-01A2 (priority score = 173; 16.2 %ile; pending council)
Funding Agency: National Cancer Institute
Total Direct Costs: \$ 2,770,948

Completed Grants and Contracts

Title: Driving and Dementia
Role in Project: Principal Investigator
Type of Grant: Contract
Funding Agency: Massachusetts Institute of Technology AgeLab and The Hartford
Years Funded: 2004-2006
Total Direct Costs: \$162,082

Title: The ADAPT Study: Alzheimer's Disease Anti-inflammatory Prevention Trial
Role in Project: Site Neuropsychologist
Type of Grant: U01 Multi-site clinical trial (J. Breitner, PI); U01 AG15477-01A2
Funding Agency: National Institute on Aging
Years Funded: 2000-2007
Total Direct Costs: \$561,246

Title: Triiodothyronine Treatment of Alzheimer's Dementia
Role in Project: Principal Investigator
Type of Grant: Pilot Project Grant
Funding Agency: Boston University Alzheimer's Disease Core Center
Years Funded: 2004-2005
Total Direct Costs: \$29,989

Title: A Telephone Intervention for Dementia Caregivers
Role in Project: Co-Investigator
Type of Grant: R21 Intervention Development Grant (G. Tremont, Ph.D., P.I.); 5R21MH062561-03
Funding Agency: National Institute of Mental Health
Years Funded: 2001-2004
Total Direct Costs: \$375,000

Continued

COMPLETED GRANTS AND CONTRACTS (continued)

Title: A Longitudinal Study of Hazardous Drivers with Dementia
Role in Project: Principal Investigator, 2001-2002 Subcontract (Co-Investigator of project)
Type of Grant: R01 (Brian Ott, M.D., P.I.); 5R01AG016335-04
Funding Agency: National Institute of Aging
Years Funded: 2001-2005
Total Direct Costs: \$103,008, Subcontract (Project Total Direct: \$1,097,475)

Title: Efficacy of a Family Telephone Intervention for Stroke
Role in Project: Co-Investigator
Type of Grant: R01 (Ivan Miller, Ph.D., P.I.); 5R01NS037840
Funding Agency: National Institutes of Health
Years Funded: 1998 - 2004
Total Direct Costs: \$1,516,615

Title: Clinical Trial of Donepezil Hydrochloride (Aricept) in Diminishing the Cognitive Impairment Associated with Electroconvulsive Therapy
Role in Project: Principal Investigator
Type of Grant: Investigator Initiated Grant
Funding Agency: Eisai, Inc. and Pfizer, Inc.
Years Funded: 2000 - 2003
Total Direct Costs: \$108,854

Title: A Double-Blind Study of Donepezil with and without Thyroid Hormone in the Treatment of Alzheimer's Dementia
Role in Project: Principal Investigator
Type of Grant: Individual Research Grant
Funding Agency: Alzheimer's Association
Years Funded: 1999 - 2003
Total Direct Costs: \$163,626

Title: A Modular Neuropsychological Test Battery
Role in Project: Principal Investigator, Subcontract with Psychological Assessment Resources, Inc.(Co-Investigator of project)
Type of Grant: Phase II Small Business Innovative Research Grant (T. White, P.I.); R44 MH58501-02
Funding Agency: National Institute of Mental Health
Years Funded: 2000 - 2002
Total Direct Costs: \$272,487, Subcontract (Project Total Direct: \$1,305,245)

Title: Development of a Modular Neuropsychological Test Battery
Role in Project: Principal Investigator
Type of Grant: Contract
Funding Agency: Psychological Assessment Resources, Inc.
Years Funded: 1999 - 2000
Total Direct Costs: \$48,084

Title: Cerebral Perfusion and Neuropsychological Functioning in Thyrotoxic Graves' Disease Patients
Role in Project: Co-Investigator
Type of Grant: Individual Grant (Geoffrey Tremont, Ph.D., P.I.)
Funding Agency: Thyroid Research Advisory Council (TRAC)
Years Funded: 1999-2004
Total Direct Costs: \$55,139

Continued

COMPLETED GRANTS AND CONTRACTS (continued)

Title: Thyroxine Treatment of the Neurocognitive Side Effects of Lithium

Role in Project: Principal Investigator

Type of Grant: Independent Investigator Award

Funding Agency: National Alliance for Research on Schizophrenia and Depression (NARSAD)

Years Funded: 1997 - 2000

Total Direct Costs: \$92,592

Title: A Modular Neuropsychological Test Battery

Role in Project: Principal Investigator, Subcontract (Co-Investigator of project)

Type of Grant: Phase I Small Business Innovative Research Grant (T. White, P.I.); R43 MH58501-01

Funding Agency: National Institute of Mental Health

Years Funded: 1998

Total Direct Costs: \$23,463, Subcontract (Project Total Direct: \$93,089)

Title: Psychiatric and Neuropsychologic Consequences of Graves' Disease

Role in Project: Mentor and Co-Principal Investigator

Type of Grant: Research Fellowship Training Grant (Geoffrey Tremont, Ph.D., Fellow)

Funding Agency: Brown University Department of Psychiatry and Human Behavior

Years Funded: 1997 - 1998

Total Direct Costs: \$15,888

Title: An Open-Label Treatment of 2CVV in the Amelioration of Neuropsychological and Psychiatric Symptoms Associated with Chronic Fatigue Syndrome (CFS)

Role in Project: Principal Investigator

Type of Grant: Contract

Funding Agency: Milkhaus Laboratory

Years Funded: 1996 - 1997

Total Direct Costs: \$10,000

Title: 2CVV in the Amelioration of Neuropsychological and Psychiatric Symptoms in Outpatients with Chronic Fatigue Syndrome: A Phase 1/2, Double-Blind, Placebo-Controlled Study

Role in Project: Principal Investigator

Type of Grant: Contract

Funding Agency: Milkhaus Laboratory

Years Funded: 1995 - 1996

Total Direct Costs: \$9575

Title: Neurobehavioral Functioning in Women Infected with HIV-1

Role in Project: Mentor and Co-Principal Investigator

Type of Grant: Research Fellowship Training Grant (James Arruda, Ph.D., Fellow)

Funding Agency: Brown University Department of Psychiatry and Human Behavior

Years Funded: 1994 - 1995

Total Direct Costs: \$17,500

Title: Combined Thyroid Hormone and Electroconvulsive Therapy

Role in Project: Principal Investigator

Type of Grant: R01; 5R01MH048578-05

Funding Agency: National Institute of Mental Health

Years Funded: 1992 - 1997

Total Direct Costs: \$471,021

Continued

COMPLETED GRANTS AND CONTRACTS (continued)

Title: Neuropsychiatric Aspects of Marginal Hypothyroidism
Role in Project: Co-Principal Investigator
Type of Grant: R01 (Jack Haggerty, PI); 5R01MH043231-02
Funding Agency: National Institute of Mental Health
Years Funded: 1992 - 1994
Total Direct Costs: \$174,413

Title: Psychoendocrinology: Children and Adults
Role in Project: Director, Neurobehavioral Assessment Core
Type of Grant: Clinical Research Center (Arthur J. Prange, Jr., PI); 5P50MH033127
Funding Agency: National Institute of Mental Health
Years Funded: 1992 - 1997 (role in project ended 7/93 due to leaving UNC)
Total Direct Costs: \$4,641,038 total project; \$256,624 subproject [core]

Title: Psychoendocrinology: Children and Adults
Role in Project: Acting Director, Data Management/Biostatistics Core
Type of Grant: Clinical Research Center (Arthur J. Prange, Jr., PI); 5P50MH033127
Funding Agency: National Institute of Mental Health
Years Funded: 1992 - 1997 (role in project ended 7/93 due to leaving UNC)
Total Direct Costs: \$4,641,038 total project; \$1,002,525 subproject [core]

Title: Influence of L-triiodothyronine (T3) on Memory following Repeated Electroconvulsive Shock (ECS) in Rats
Role in Project: Principal Investigator
Type of Grant: Pilot Project Award
Funding Agency: UNC University Research Council Grant
Years Funded: 1992 - 1993
Total Direct Costs: \$3000

Title: Validation of the *Microcog* Computerized Neuropsychological Screening Test in HIV-Infected Gay Men
Role in Project: Principal Investigator
Type of Grant: Contract
Funding Agency: The Psychological Corporation
Years Funded: 1992 - 1993
Total Direct Costs: \$3600

Title: Physostigmine as a Psychodiagnostic Tool: The Effects of Physostigmine on Cognition, Mood, and Behavior in Normal Volunteers."
Role in Project: Principal Investigator
Type of Grant: Pilot Project Award
Funding Agency: UNC Medical Faculty Research Grant
Years Funded: 1991 - 1992
Total Direct Costs: \$3000

Title: Neuropsychological Correlates of Pregnancy and the Early Puerperium
Role in Project: Principal Investigator
Type of Grant: Pilot Project Award
Funding Agency: The Foundation of Hope for Research and Treatment of Mental Illness
Years Funded: 1990 - 1992
Total Direct Costs: \$16,000

Continued

COMPLETED GRANTS AND CONTRACTS (continued)

Title: Physostigmine as a Psychodiagnostic Tool: The Effects of Physostigmine on Cognition, Mood and Behavior

Role in Project: Principal Investigator

Type of Grant: Pilot Project Award

Funding Agency: The North Carolina Foundation for Mental Health Research, Inc

Years Funded: 1990 - 1992

Total Direct Costs: \$1200

Title: Neuropsychological Correlates of Alterations in Thyroid State

Role in Project: Principal Investigator

Type of Grant: Pilot Project Award

Funding Agency: The Foundation of Hope for Research and Treatment of Mental Illness

Years Funded: 1989 - 1991

Total Direct Costs: \$26,317

Title: HIV: Neuropsychiatric and Psychoimmune Relationships

Role in Project: Co-Investigator and Neuropsychology Section Head

Type of Grant: R01 (Dwight Evans, PI); 5R01MH044618

Funding Agency: National Institute of Mental Health

Years Funded: 1989 - 1994

Total Direct Costs: \$1,293,290 (subcontract)

UNIVERSITY TEACHING ROLES

Boston University School of Medicine (1994 – Present):

Course Director (2006-Present), Neuropsychological Assessment Course GMS BN 796 (with L. Grande and M. Kregel)
Ph.D. Program in Behavioral Neuroscience, Division of Graduate Medical Sciences, BUSM.

Lecturer for Ph.D. Program in Behavioral Neurosciences
Basic Neuroscience Course (lectures on thyroid-brain relationships; grant process; 1994-Present)
Human Neuropsychology Course (lectures on Alzheimer's disease and other dementias; 2004-Present)

Director and Lecturer for Neuropsychology Seminar Series
Geriatric Medicine, Dentistry & Psychiatry Fellowship Program (2005-Present)

Lecturer for Neurology Residency Training Program
Regular lecturer for PGY 1, 2, & 3 Lecture Series (2004-Present); approximately 8 lectures per year

Lecturer for Biology of Disease (Neurology) Course
Preclinical Medical School Course (2007-Present)

Advisor (for ~40 graduate students; 2005-2007)
Graduate Medical Sciences Masters Program

Brown Medical School (1993 – 2003):

Recipient, 1998-1999 Outstanding Teaching Award in Psychology
Department of Psychiatry & Human Behavior

Coordinator, Neuropsychology Track (2001 – 2002)
Internship Training Program
Brown University Clinical Psychology Training Consortium

Member, Neuropsychology Training Faculty
Department of Psychiatry & Human Behavior
Mentor of clinical neuropsychology fellows.
Mentor of clinical neuropsychology interns.
Mentor of research neuropsychology fellows.
Supervisor of research placements for neuropsychology pre-doctoral interns.
Regular lecturer for *Neuropsychology Rounds*
Regular lecturer for *Neuropsychology Seminar Series*

Core Faculty Member (2003-Present; ending 1/31/2003)
Brown University T32 Dementia Research Training Program

Member, Training Committee (2001-2002)
Brown University Clinical Psychology Training Consortium

UNIVERSITY TEACHING ROLES (continued)

Brown Medical School (continued):

Member, Neuropsychiatry/Behavioral Neurology Fellowship
Training Faculty

Department of Psychiatry & Human Behavior and
Department of Clinical Neurosciences

Lecturer for Clinical Psychology Training Consortium

Department of Psychiatry & Human Behavior
Regular lecturer for Post-doctoral Fellow Lecture Series

Lecturer for Psychiatry Residency Training Program

Regular lecturer for PGY 1, 2, 3 and 4 Lecture Series

Lecturer for First Year Medical Students

Medical Interviewing Seminar

Mentor for Undergraduate Senior Honors Theses

Departments of Neuroscience and Psychology

Mentor for Undergraduate Independent Study Courses

Departments of Neuroscience, Psychology, and others

University of Rhode Island (1993 - 2004):

Member, Graduate Faculty (1997-Present)

Mentor/Advisor for Clinical, School, and Experimental
Psychology Masters Theses and Doctoral Dissertations

Supervisor, Practicum Training Site for Clinical Psychology
Graduate Students

Supervisor, Undergraduate Psychology Internship Placement

University of North Carolina at Chapel Hill – School of Medicine (1990 - 1993):

Member, Clinical Psychology Training Program

Department of Psychiatry

Regular lecturer for Internship Seminar Series

Mentor and Supervisor, Neuropsychology Clinical

Post-doctoral Fellows and Pre-doctoral Interns

Mentor Neuropsychology Research Fellows

Member, Training Faculty

NIMH-funded Research Fellowship Training Program

Department of Psychiatry

Mentor for Psychiatry Research Fellows

Member, Training Faculty

Institutional National Research Service Award

Fellowship Training Program

Brain and Development Research Center

Mentor for Post-doctoral Research Fellow

UNIVERSITY TEACHING ROLES (continued)

UNC (continued):

Psychiatry Residency Training Program

Co-director, Neuropsychiatry Seminar Series
Regular lecturer, Consult/Liaison Seminar Series

Medical School

Co-director, "Brain-Behavior Relationships"
(3rd year elective course)
Regular Lecturer, 1st year Neurobiology Course

Division of Speech and Hearing Sciences

Regular Lecturer, "Adult Language Disorders" Course

UNC Department of Psychology

Advisor, several undergraduate Senior Honors Theses
Advisor, Masters Thesis
Regular Lecturer, Graduate Neuropsychology Course
Regular Lecturer, Undergraduate Neuropsychology
Seminar

Continued

Other Teaching (1990 - Present):

Clinical Practicum Supervisor, 1999 – 2002

Suffolk University Clinical Psychology Program

Non-faculty member of Ph.D. Dissertation Committees

Suffolk University
North Carolina State University
University of Alabama
University of New South Wales, Australia
Fielding Graduate University

UNDERGRADUATE HONORS THESES SUPERVISED

Wendy Cox (1991)

"The Effects of Physostigmine on Mood and Sustained
Attention"

Psychology Department, University of North Carolina

Boykin Robinson (1993)

"Self-Report of Emotional and Cognitive Complaints in
Individuals with Graves' Disease: A Survey Study"

Psychology Department, University of North Carolina

Mara Lowenstein (1996)

"Neuropsychological Functioning in Alzheimer's Disease and
Vascular Dementia: A Qualitative Assessment of the Rey-
Osterrieth Complex Figure"

Psychology Department, Brown University

continued

UNDERGRADUATE HONORS THESES SUPERVISED (continued)

Yamini Subramanian (1997)
“The Thyroid Axis and Seizure Threshold: Examining a Mechanism of Thyroid Hormone Augmentation of ECT”
Neuroscience Department, Brown University

Anna Podolanczuk (2002)
“Thyroid Hormone Levels in Post-Mortem Alzheimer’s and Control Brains”
Neuroscience Department, Brown University

MASTERS THESES SUPERVISED

Jennifer Latham (1998)
“The visual analog mood scales for adolescents : a preliminary examination of reliability and validity”
Psychology Department, University of Rhode Island

Jessica Somerville (2000)
“A Comparison of Administration Procedures for the Rey-Osterrieth Complex Figure: Flow-charts Vs. Pen-Switching”
Psychology Department, University of Rhode Island

Susan L. Legendre (2000)
“The Influence of Cognitive Reserve on Memory After Electroconvulsive Therapy”
Psychology Department, University of Rhode Island

Veronica Santini (2005)
“Thyroid-Neurobehavioral Relationships in the Elderly”
Division of Graduate Medical Sciences, Boston University School of Medicine

Daniel Daneshvar (2006)
“Association between Smoking, APOE, and Risk for Mild Cognitive Impairment and Alzheimer’s Disease”
Division of Graduate Medical Sciences, Boston University School of Medicine

Laura Ridgely (2006)
“The Public Health Risk of Unsafe Elderly Drivers and Drivers with Dementia: Current Problems and Steps to be Taken”
Division of Graduate Medical Sciences, Boston University School of Medicine

David Essaff (2007)
“Executive Dysfunction in Early Alzheimer's Disease (AD) and Mild Cognitive Impairment: A Potential Cognitive Marker for Preclinical AD”
Division of Graduate Medical Sciences, Boston University School of Medicine

MASTERS THESES SUPERVISED (continued)

Meghan Lembeck (2007)
“Racial Disparities and Mild Cognitive Impairment Diagnosis:
The Effects of Literacy Correction on Neuropsychological
Test Scores”

Division of Graduate Medical Sciences, Boston University
School of Medicine

Christopher Tu (2007)
“Patient Awareness and Associated Risk of Prehospital
Endotracheal Intubation”

Division of Graduate Medical Sciences, Boston University
School of Medicine

Jessica A. Riggs (2008)
“Current Approaches to Alzheimer’s Disease Treatment: A
Focus on Passive Immunotherapy”

Division of Graduate Medical Sciences, Boston University
School of Medicine

Maggie A. Spaniol (2008)
“Item and Source Memory in Alzheimer’s Disease: Exploration
into Metamemory”

Division of Graduate Medical Sciences, Boston University
School of Medicine

DOCTORAL DISSERTATIONS SUPERVISED

Susan L. Silva (1991)
“The Effects of Physostigmine on Cognition, Mood, and
Behavior”

Department of Psychology, North Carolina State University

Mark L. Prohaska (1993)
“Thyroid, Lithium, and Cognition: The Use of Thyroid Hormone
Augmentation in the Reduction of Cognitive Side Effects
Associated with Lithium Maintenance”

Psychology Department, University of Alabama

Debbie J. Javorsky (1999)
“A Validation Study of the Boston Qualitative Scoring System
(BQSS) for the Rey-Osterrieth Complex Figure”

Psychology Department, University of Rhode Island

Susan L. Legendre (2003)
“The Influence of Cognitive Reserve on Neuropsychological
Functioning After Coronary-Artery Bypass Grafting (CABG)”

Psychology Department, University of Rhode Island

Jessica Somerville Ruffolo (2004)
“Visuoconstructional Impairment: What Are We Assessing and
How Are We Assessing It?”

Psychology Department, University of Rhode Island

FELLOWS TRAINED

Research Fellows

Susan Silva, Ph.D. (1991-1993)
Mareah Steketee, Ph.D. (1992-1993)
James Arruda, Ph.D. (1994-1996)
Jennifer Duncan Davis, Ph.D. NIA T32 Dementia Training
Grant Fellow (Stern, Mentor) (2003-2004)
Angela Jefferson, Ph.D. (2004-2005)
Miglana Grigorova, Ph.D. (2005-2006)
Lee Ashendorf, Ph.D. (2005-2007)
Laura Eggermont, Ph.D. (2007-Present)

Clinical Neuropsychology Fellows

Christina Schafale, Ph.D. (1991-1993)
Mark Prohaska, Ph.D. (1993-1995)
Garrie Thompson, Ph.D. (1994-1996)
Geoffrey Tremont, Ph.D. (1996-1998)
Harry Pettibon, Ph.D. (1997-1998)
Holly Westervelt, Ph.D. (1998-2000)
Debbie Javorsky, Ph.D. (1998-2000)
Michael Ropacki, Ph.D. (2000-2001)
Caitlin Macaulay, Ph.D. (2000-2002)
Catherine Lee Bishop, Psy.D. (2001-2003)
Jennifer Duncan Davis, Ph.D. (2001-2003) (Recipient of the
2002 American Neuropsychiatric Association Career
Development Award);
Richard Temple, Ph.D. (2002-2003)
Laura Brown, Ph.D. (2003-2004)
Mary Beth Spitznagel, Ph.D. (2003-2004)
Miglana Grigorova, Ph.D. (2005-2006)
Brandon Gavett, Ph.D. (2007-Present)

July 14, 2008
