

Fall 2018 Course Offering

AN 308/708

**FOOD IN PLACE(S): IDENTITY, LOCATION AND THE CULTURES  
OF TASTE**

**Professor Merry White**

**TR 9:30-10:45**

How an anthropologist makes meaning of what we eat frames this course about foodways, culinary history, and the experiences of cultural change in food. The neighborhoods of Boston provide us with our locations – and our own tastings, of cultural and culinary identity.
