

We hope to turn this working bibliography into a more comprehensive and complete bibliography on the topic of vernacular photography, and we enlist your input in helping us to do so. Please send an email to mcstace@bu.edu if you find any errors or omissions on this bibliography that you would like to help us correct. Any and all suggestions will be greatly appreciated.

We plan to include this bibliography in the anticipated conference anthology/exhibition catalogue to be published in the fall of 2005.
