Requirements for a **Minor in Biology**

**Five Courses:**
- BI 107
- BI 108
- Three (3) biology electives

- A grade of “C” or better is required in all minor courses.
- Advanced credit (e.g. AP credit) may be used for BI 107 and/or BI 108.
- Up to two of the three electives for the minor may be “Optional Related Courses” (see the Biology major Bulletin page for list).
- At least three minor courses must be taken in the BU Biology Department.
- Up to two courses may overlap between a major and a minor or between two minors. At least 12 credits must be unique to the minor.

**Courses that are not acceptable towards the Biology minor:**

| BI 105: Introductory Biology For Health Sciences | BI 119: Sociobiology |
| BI 106: Human Anatomy | BI 196: Introductory Quantitative Biology |
| BI 114: Human Infectious Diseases | BI 211: Human Physiology |
