

Requirements for a **Minor in Biology**

Five Courses:

- BI 107
- BI 108
- 3 biology electives

- A grade of "C" or better is required in all minor courses.
- At least 3 minor courses must be taken in or cross-listed with the BU Biology Department.
- Advanced credit (e.g. AP credit) may be used for BI 107 and/or BI 108.
- Up to 2 of the 3 electives for the minor may be "Non-Departmental Courses" (see the [Biology major Bulletin](#) page for list).
- Up to one 4-credit [Undergraduate Research in Biology](#) course may be used as an elective.
- Up to 2 courses may overlap between a major and a minor or between two minors; at least 12 credits must be unique to the minor.

Courses that are not acceptable towards the Biology minor:

BI 105: Introductory Biology For Health Sciences
BI 106: Human Anatomy
BI 114: Human Infectious Diseases

BI 119: Sociobiology
BI 194: Topics in Biology 1
BI 196: Introductory Quantitative Biology

BI 210: Human Anatomy
BI 211: Human Physiology
