ABOUT THE YAWKEY NONPROFIT INTERNSHIP PROGRAM

The Yawkey Nonprofit Internship Program is an experiential learning program designed to complement students’ academic course of study. Funded by an endowed gift from the Yawkey Foundations and housed in the BU Center for Career Development, the Yawkey Nonprofit Internship Program gives eligible sophomores and juniors the opportunity to apply for living allowance stipends so that they may accept qualified, unpaid internships at nonprofit organizations. The stipends are disbursed by Boston University.
