Recruiting Student Populations at Boston University

To help recruiters target the BU student populations they seek—undergraduate, graduate, specific fields of study—the following identifies BU’s several career centers and the students that each support.

**Center for Career Development**

**STUDENTS:** All **undergraduate and graduate students** from all schools/colleges. In addition, the CCD is the primary career center for students from the College of Arts & Sciences (includes computer science, economics, global studies, liberal arts, life sciences, and social sciences), the College of Fine Arts, the College of General Studies, the College of Health & Rehabilitation Sciences: Sargent College, the Wheelock College of Education & Human Development, the School of Social Work, and the School of Theology.

**CONTACT:** 617-353-3590 | bucareer@bu.edu | bu.edu/careers/for-employers | @BU_CCD

**ADDRESS:** Yawkey Center for Student Services, 100 Bay State Road, Sixth Floor, Boston, MA 02215

**College of Communication Career Career Services**

**STUDENTS:** **Undergraduate and graduate students** majoring in all areas of communication, including television, film, radio, public relations, advertising, journalism, communication theory, and emerging media studies. The curriculum combines academic rigor, professional hands-on skills, and an emphasis on writing, oral communication, visual literacy, and digital media skills.

**ADDRESS:** 640 Commonwealth Avenue, Suite 112, Boston, MA 02215

**College of Engineering Career Development Office**

**STUDENTS:** **Undergraduate and graduate students** in biomedical engineering, computer engineering, electrical engineering, materials science, mechanical engineering, photonics, and systems engineering, with concentrations available in manufacturing, aerospace, technology innovation, nanotechnology, and energy technologies. Programs develop “Societal Engineers” equipped with not only strong quantitative and problem-solving skills, but also the ability to think at a systems-level, work with others across disciplines, and understand the innovation process from product design to commercial deployment.

**ADDRESS:** 595 Commonwealth Avenue, Suite 110, Boston, MA 02215
School of Hospitality Marriott Career Center

**STUDENTS:** Undergraduate Students interested in all aspects of the hospitality business (hotel & lodging, food & beverage, casino & gaming operations, marketing, sales, accounting, finance, revenue management, event management, travel & tourism, sports and entertainment). Students are required to complete two 400-hour work experiences and an international experience before graduation.

Graduate Students completing the Management in Hospitality (MMH) receive a concise, comprehensive program in hospitality business management for students from both a business and non-business background. Required courses in Lodging Operations, Marketing, Leadership and Financial Management along with an internship requirement, produce well-rounded students ready to enter the industry in a wide range of fields. MMH students are required to complete 400 hours of work experience before graduation.
