

March 2013

Welcome to Boston University! Visit our website at [www.bu.edu/shs](http://www.bu.edu/shs) to see our list of services. Please consider us your primary care doctors while you are on campus. Your assistance with the documentation below helps us to provide high quality care.

In order to ensure the health of the entire student community, we **require** that you take the following health-related actions **prior to arriving on campus**:

Start by visiting our website, [bu.edu/shs](http://bu.edu/shs) and click on "**Forms**" in the upper right area of the site. Click on the "**Health Form**" that corresponds to your primary campus or program of study. Please read and follow the instructions carefully. If the information is not submitted, you will be unable to register for classes.

1. Report your **Immunization History**.
  - a. Massachusetts requires a series of immunizations for university students enrolled in the state. **You will be unable to register** if you do not submit this information.
  - b. Follow the directions "**Section 1**".
  - c. Make sure that you mail a copy of the medical provider-signed "**Immunization and Physical Form**" (downloaded from the website).
2. Enter your **required health history**.
  - a. Follow the directions in "**Section 2**".
3. For those who will be under 18 years of age after matriculation, complete a **Consent Form**.
  - a. Follow the directions in "**Section 3**".
4. For Student Athletes, intercollegiate or club, complete an **Athletic Screening Questionnaire**.
  - a. Follow the directions in "**Section 4**". This must be completed in addition to the health history noted above.

We look forward to welcoming you to Boston and trust that you will arrive healthy and prepared for an excellent year!

Sincerely,

A handwritten signature in black ink, appearing to read "David R. McBride".

David R. McBride, MD  
Director
