*Strongly recommended for prospective majors: one 200- or 300-level History course. Students should note that a maximum of three courses numbered below 200 may count for the major.

Major Requirements
All History majors must take at least 12 courses, including CAS HI200 (The Historian’s Craft) and two seminars at the 400- or 500-level, and fulfill the distributional requirement. HI200 should be taken sophomore year. A grade of ‘C’ or higher is required for all courses counted toward the major.

History majors will receive principal course credits for the following CGS courses:
- CGS SS103 as equivalent to CAS HI101 (The Dawn of Europe: Antiquity to the Renaissance)
- CGS SS102 as equivalent to CAS HI102 (The Emergence of Modern Europe: Renaissance to the Present)
- CGS SS201 as equivalent to CAS HI176 (World History after 1500)
- CGS SS202 as equivalent to CAS HI334 (History of International Relations since 1945)

*Note: Students may not obtain credit for taking CAS HI101, HI102, HI176, or HI334 since these duplicate the credit received for the CGS courses.*

Students with a score of 4 or 5 on a history Advanced Placement examinations receive credit as follows:
- European History Examination: CAS HI098 (Advanced Standing in European History)
- American History Examination: CAS HI099 (Advanced Standing in United States History)
- No credit is given for the World History Examination

*Note: These courses cannot count toward the History major, and are to be used as general credits toward graduation.*

For more information, please visit: www.bu.edu/history/undergraduate-program.

CAS Graduation Requirements
Foreign Language Requirement: Students must fulfill the foreign language requirement, which may be satisfied by:
- Satisfactory completion of a foreign language course at the 212-level, or
- A score on an advanced placement foreign language test that awards credit for the fourth semester level or higher, or
- A score of 560 or higher on the SAT: Foreign Language Subject Test.

Mathematics Proficiency Requirement: Students must demonstrate basic mathematics skills, which may be satisfied by:
- A score on the SAT-I: Math of 580 or above, or
- An advanced placement score in mathematics or statistics of 4 or higher, or
- A score of 23 or above on the ACT (math), or
- Satisfactory completion of a CAS mathematics course numbered 109 or higher.

Please see reverse side.
Mathematics/Computer Science Divisional Requirement: Students must take two math/computer science courses from the approved list of CAS divisional courses, which can be found at: www.bu.edu/academics/cas/programs/divisional-studies/. Students should consult with their CGS advisors about their selection of math/computer science courses.
