

Annual Research Progress and Plan

G3 students are to write a written progress report annually (suggested to be 2-3 pg in length), to be submitted to their advisor and their DAC, and used as the basis of a DAC committee meeting. This form acknowledges completion of these requirements, OR the granting of an exemption. This form must be completed and turned in, annually, to Laura Sacco by **August 30th**. (*ie, before the start of the next academic year*).

- By presenting this form, I certify that I have met with the undersigned members of my DAC, regarding my research or plans;

OR

- By presenting this form, I certify that my research Advisor and Chair of my DAC (ie, 2nd reader of the thesis) request an EXEMPTION for the annual DAC meeting, due to my significant progress, such as publishing a paper or an abstract since my last DAC meeting.
