

Department of Chemistry
(Due Sept. 16, 2016 for Fall, 2016)

Application for Undergraduate Research, Semester/Year: _____

Name: _____ ID# _____

Local Address: _____

Local Phone #: _____ e-mail: _____ Credits: _____

Research Advisor: _____ Course #: CH _____ Section: _____

Project Title: _____

Have you applied for UROP funding for this semester?

To the Student: Please attach a 1-2 page description of your research project to this form, including reference citations. (REFERENCES MUST BE LISTED!)

To the Research Advisor: The following are factors upon which the student's final grade will be based. A minimum of 4 laboratory hours per week per credit are required. Individual research groups may set guidelines above this commitment. Attendance at group meetings and seminars as required by the research advisor may also be expected. A written report at the end of the semester is required by the department. All seniors, and those completing the BA/MA program who are registered for CH 402 or 492 are also required to present at the Departmental Undergraduate Research Symposium at the end of the spring semester.

Participation and Quality of Research (to be filled out by the research advisor):

Laboratory hours per week: _____ hours

Attendance and Participation at Research Meetings and Seminars:

Approximate number of meetings per semester: _____

Written Report(s):

Number of reports required _____ and approx. length of report(s) _____ pages

Other Requirements:

Signature of Student: _____ **Date:** _____

Signature of Research Advisor: _____ **Date:** _____

Director Undergraduate Studies: _____ **Date:** _____
