Summer Term II July 1-August 9

**Monday/  
Wednesday  
6:00-9:30PM**

**Location: HAR 302**

## COURSE DESCRIPTION

This course explores the financial, social, and environmental impacts of entrepreneurship and small businesses in urban planning and policy making. This course will examine the policies and initiatives that can promote the establishment and success of social entrepreneurship ventures. Drawing upon insights from case studies, local social entrepreneurs, and primary and secondary research, students will create a viable business plan for a sustainable social entrepreneurship venture.
