A Lottery pre-requisite course is a production course that has limited enrollment due to the use of equipment. After the lottery results are posted on Wednesday, OCTOBER 28, 2009, you will register for the course yourself on WebReg/TelReg. Registration for Lottery Pre-requisite courses is now an honor system, and we trust that you only register for those classes into which you have been accepted. **At a minimum, students who violate the registration procedures will be removed from any course for which they lack authorization and will be assigned lowest priority in the next term's lottery process. Further disciplinary action may be imposed at the discretion of the Departmental Chair.** Students currently awaiting grades which are pre-requisites for lottery courses will still be allowed to register themselves during the regular registration period. **However, students who have enrolled in courses for which they ultimately do not meet the grade requirement will be dropped from those courses.** Before completing this form, refer to the list of Lottery Pre-requisite courses and their pre-requisites on the back of this sheet.

List below, *in your order of preference*, the Lottery Pre-requisite Courses you want to take and for which you have or will have completed the pre-requisites. List section numbers by order of preference beside the course number.

Several rounds of a random lottery will be used to decide enrollments. Seniors are virtually guaranteed their first choice, so be sure to list your most crucial choice as #1. *For those who do not win a spot in a Lottery course, they will be placed in the Eligible Pool for the course, meaning that they may register for the course if there are still unclaimed seats after SUNDAY, NOVEMBER 22, 2009.* Results of the winners will be posted outside the Film and Television Office, Room 118, on WEDNESDAY, OCTOBER 28th, 2009. Schedules may be verified on the Student Link.
