Education:

<u>Degree</u>	<u>Year Granted</u>	<u>Institution</u>	<u>Major</u>
Sc.D.	1981	Boston University	Psychiatric Rehabilitation
M.A.Sc.	1973	University of Waterloo	Psychology
B.A. (Honors)	1971	University of Toronto	Sociology

Faculty Rank: Research Associate Professor - Appointed September 1, 1988

Employment:

1988-present Director of Training, Center for Psychiatric Rehabilitation, Boston University, Boston, MA. Responsible for development of training and dissemination strategies for the Center; liaison with academic programs in psychiatric rehabilitation nationally and internationally; design and implementation of training evaluation studies; supervise the development of database on psychiatric rehabilitation and community support, Center's Internet capabilities, and resource information services.

1987-present Director of International Technical Assistant Services, Center for Psychiatric Rehabilitation, Boston University, Boston, MA. Responsibilities include development of research, training, and consultation projects to mental health and rehabilitation agencies, and systems administrators in countries outside the United States; projects include in-service training, organizational assessment and development, policy planning, and service systems development, as well as design and implementation research methods to evaluation change efforts; management of staff to conduct these activities; administration of project budgets.

1980–1993 Director of Graduate Degree Specialization Programs in Psychiatric Rehabilitation, Rehabilitation Counseling Department, Sargent College, Boston University, Boston MA. Responsibilities include: Recruitment of students for the master's and doctoral specializations in psychiatric rehabilitation; development of the curriculum for these specializations; advising doctoral students; teaching core courses at both levels; administration of Rehabilitation Services Administration Grant for the training of professionals to work with the long-term mentally ill; hiring and supervision of faculty and instructors to teach courses in the specialization programs; ongoing development and evaluation of the pilot off-campus master's program.

- 1984–1988 Associate Director of Training, Center for Rehabilitation Research and Training in Mental Health, Boston University, Boston, MA.
Responsibilities include: The development and delivery of innovative skills training curricula to practitioners in rehabilitation, mental health and related fields; design and implementation of evaluative research related to training outcome; systems and program assessments; consulting to community, and hospital facilities, and state departments of mental health in the United States and Canada.
- 1979-1981 Training Associate, Center for Psychiatric Rehabilitation, Boston, MA.
Director: Dr. William Anthony.
- 1978-1980 Psychological Consultant, Mt. Pleasant Hospital for Alcoholism, Lynn, MA. Director of Psychological Services: Dr. S. Valle.
- 1977-1979 Follow-up Coordinator, NIMH Training Grant in Psychiatric Rehabilitation, Boston University, Boston, MA. Director: Dr. William Anthony.
- 1976-1977 Psychiatric Rehabilitation Intern, McLean's Hospital, Belmont, MA
Supervisor: Dr. S. Agular, Psychiatrist-In-Charge.
- 1974-1976 Community Consultant, Alcohol and Drug Addiction Research Foundation of Ontario, Toronto, Ontario. Center Director: N. Latter.
- 1973 Guidance Counselor Training, University of Toronto, Faculty of Education, Toronto, Ontario. Director: Dr. P. Manual (Summer).
- 1973 Coordinator of Volunteers, Canadian Mental Health Association, Waterloo, Ontario. Executive Director: M. Perkins (Spring).
- 1972 Teaching Assistant, Child and Family Therapy, University of Waterloo, Waterloo, Ontario. Supervisor: Dr. R. Beirman (Fall-Winter).
- 1971; 1972 Researcher, Information Canada, Federal Government, Toronto.
Supervisor: I. Hamilton, Chief of Regional Planning.

Grant Development Experience:

Principal Investigator: Five year NIDRR grant to develop innovative methods for rating and disseminating disability research entitled “Innovative Knowledge Dissemination for Disability and Professional Organizations and Stakeholders”. Grant award: 2.5 million over five years (2005-2010).

- ! Principal Co-Investigator: Five year NIDRR & CMHS Grant to develop research and training in Psychiatric Rehabilitation: Rehabilitation for Persons with Long-Term Mental Illness. Grant Award: \$3,750,000; 2004-2009; \$3,950,596, 1999-2004

Principal Co-Investigator, Three Year RSA grant, (Experiment and Innovation), "People Encountering People: Curricula to Shift the Paradigm for Masters' Level Rehabilitation Counseling Students", \$450,000 2003-2006

Principal Co-Investigator : Three year NIDRR grant (FIDG), "Rehabilitation Readiness Tool for Latinos with Psychiatric Disabilities ", \$450,000, 2002- 2005

- ! Principal Co-Investigator: Five year NIDRR & CMHS Grant to develop research and training in Psychiatric Rehabilitation: Rehabilitation for Persons with Long-Term Mental Illness.≡ Grant Award: \$3,250,000, 1994-1999.
- ! Principal Investigator: Three-year Department of Education grant (RSA), "Rehabilitation of the Mentally Ill Program to Increase Supply of Personnel at Graduate Levels." Grant Award: \$260,830, 1989-1992.
- ! Research Director: Three-year NIMH demonstration grant. A Evaluation of the Impact of Psychiatric Rehabilitation on Supported Housing in a Rural Area.≡ Developed a grant to compare the impact of psychiatric rehabilitation to other psychosocial rehabilitation approaches in rural West Virginia. Grant Award: \$875,000, 1989-1992.
- ! Co-Project Director: Three year NIMH Clinical Training Grant for Research and Development: "Model Curriculum Dissemination." Grant to refine, demonstrate, evaluate, and disseminate a model curriculum to pre-service training programs for use in preparing students to use a rehabilitation approach with the long-term mentally ill. Grant was awarded to replicate my curriculum in the masters and doctoral rehabilitation counseling programs in disciplines such as psychiatry, psychology, social work, and nursing. Grant Award: \$214,941, 1986-1989.
- ! Project Director: Three year Department of Education Grant (RSA): "Rehabilitation of the Mentally Ill Training Program." Grant to support the training of graduate level rehabilitation counseling practitioners to work with the severely psychiatrically disabled. Grant Award: \$216,274, 1985-1988.
- ! Co-Project Director: Three year Department of Education Grant (RSA): "Rehabilitation of the Mentally Ill Training Program." Grant to support the training of graduate level rehabilitation counseling practitioners to work with the severely psychiatrically disabled. Grant Award: \$310,000, 1982-1985.

Research and Evaluation Experience:

Research consultation to team developing NIH submission in Nutrition and Gerontology (Tufts University) 2004-2005;

Research Project Director, Developed and Implemented Pilot Study on Readiness Assessment, RISP, NIMH 2000-2004

Member of W.H.O Network on Recovery Research, 2003

Senior Research Consultant, provided consultation on survey instrument development and data analysis for University Hospital, Malmo, Sweden for country-wide client needs assessment study. 1995-2002.

- ! Senior Research Consultant, designed and supervised implementation of outcome research to evaluate the impact of psychiatric rehabilitation on supported housing outcomes in rural West Virginia. National Institute of Mental Health, \$900,000, 1989-1992.
- ! Senior Research Consultant, Department of Behavioral Health. Supervised the development of research capacity for the state of West Virginia. Monitored junior faculty to develop their research skills; helped to develop department's research infrastructure. 1989-1992.
- ! Co-Principal Investigator for 3 year research and development grant to adapt, disseminate, and evaluate curriculum for university programs training graduate students in psychiatry, psychology, social work, and nursing. Supported by the National Institute of Mental Health, 1986-1989.
- ! As Senior Research Consultant, designed methodology and evaluation instruments and provided on-going consultation for evaluation research of a project to integrate a mental health system of service delivery. Supported by Ministry of Health, Ontario, 1987-1989.
- ! As Senior Research Consultant, provided on-going consultation to research project focused on assessing variables in vocational outcome of chronically psychiatrically disabled person. Supported by Vocational Evaluation Unit, Ottawa, Ontario, 1987-1988.
- ! Principal Investigator for 4 year research project assessing the impact of implementing a modal program in a state psychiatric hospital. Supported by the National Institute of Disability and Rehabilitation Research. Washington, D.C., 1984-1988.
- ! Developed a methodology for evaluating outcome of skills training with long-term chronic clients in community residential facilities. Supported by the National Institute of Disability and Rehabilitation Research, Washington, D.C., 1979-1986.

- ! Evaluated implementation of psychiatric rehabilitation in hospital programs. Supported by the National Institute of Disability and Rehabilitation Research, Washington, D.C., 1979-1986.
- ! Doctoral dissertation research involved assessing the impact of skills training on chronic backward psychiatric patients during deinstitutionalization. 1979-1980.
- ! As follow-up coordinator, tracked over 100 psychiatric clients of Mass. Rehab. Commission counselors who had been trained the previous year in psychiatric rehabilitation skills. Boston, MA, 1978-1979.
- ! Developed research design to evaluate diversion of criminal offenders to social service system in a legal aid clinic. Boston, MA, 1977.
- ! Conducted action research in isolated communities across Canada to determine communication patterns amongst government bodies and the various minority groups. Presented recommendations to Federal Cabinet, Toronto, Ontario, 1971-1972.
- ! Set up pilot study to develop community resources used in rehabilitation of employed alcoholics. Toronto, Ontario, 1972.

Research Instruments Developed:

Farkas, M.D., Martin, R., Cohen, M.R., and Cohen, B.F. (in progress). Dimensions of Rehabilitation Readiness Scales. A series of three-point scales to evaluate the degree to which consumers with serious psychiatric disabilities are ready to commit to a course of rehabilitation. Copyright Trustees of Boston University.

Farkas, M.D. (1987). Life Skills Assessment. Instrument designed to evaluate level of functioning for hospitalized patients with serious psychiatric disabilities. Copyright Trustees of Boston University.

Dissertation Committee/External Reader:

<u>Year</u>	<u>Student Name</u>	<u>Dissertation Title</u>	<u>University</u>
2005	Catherine Briand	Implantation dans plusieurs sites d'un programme de readaptation cognitive pour les personnes atteintes de schizophrénie	Universite de Montreal (External Reader)
1996	Joanne Linden	Gender differences in	School of Education

		affiliative trust-mistrust over time	Harvard University (external reader)
1994	Edward Diksa	Employer attitudes toward hiring persons with psychiatric disability	Sargent College Dept. of Rehabilitation Counseling, Boston University
1993	Robert Hammaker	Assessing mental health consumer needs in Alaska	School of Education Boston University

Research and Scholarly Mentorship:

Jianmin Zhang, M.D.	(1997-1998)	International Scholar (China)
Janecke Thiessen, M.D.	(1997)	International Scholar (Norway)
Mjung Ja Son, Ph.D.	(1996-1997)	International Scholar (Korea)
Magdalena Lindhart, Ph.D.	(1995-1996)	Research Fellow
Elena Kantor, Ph.D.	(1994-1995)	Research Fellow

Peer Review:

1992 National Institute on Disability and Rehabilitation Research Peer Review Panel.
2005 National Institute on Disability and Rehabilitation Research, Peer Review Panel

Academic Experience:

Teaching/Curriculum Development:

- ! Specialty Science I Mental Health Rehabilitation, Assisted in the development of Postgraduate Certificate in Health Science; also taught as Visiting Professor, Auckland University of Technology, Department of Occupational Therapy, (Te Wananga Aronui O Tamaki Makau Rau,) and July 17-28, 2000.
- ! Developed an International Fellows Training program in Psychiatric Rehabilitation. 1996- present
- ! Developed an innovative Off Campus program for professionals currently in the field who desire a Masters degree specializing in psychiatric rehabilitation. Program, now in

its 15th year, receives an average of 200 inquiries per year from all over the world for the 10-12 places available. 1982-1993.

- ! Developed the curriculum for the Masters and doctoral specialization in psychiatric rehabilitation. The curriculum was nominated for an award by the National Alliance for the Mentally Ill. 1980-1993.
- ! Advisor for Masters and Doctoral students in psychiatric rehabilitation. Boston University, 1980-present.
- ! Supervise faculty responsible for On-Campus Masters program. 1985-1993.
- ! Developed Masters and Doctoral curriculum in psychiatric rehabilitation.
- ! Taught courses for Masters and Doctoral level students (e.g. Clinical Skills, Topical Research Seminars in Psychiatric Rehabilitation, Community Planning, and Resource Development). Boston University, 1980-1993.
- ! Taught semester-long courses in Rehabilitation Programming, Community Resource Development, and Occupational Behavior as teaching assistant. Boston University, 1978-1979.
- ! Taught third-year undergraduates in a two-semester course in Counseling Theories; assisted in graduate seminar on Child and Family Therapy; developed a new two semester course in Community Interventions. University of Waterloo, Waterloo, Ontario, 1972.

Materials Development:

1985-2004

- ! Co-author, *Guide to Readiness for Rehabilitation for Latino consumers*
Developed ethnographic study to collect themes for readiness concepts; senior member of Team interpreting transcripts, analyzing results and developing scoring system to create guide; mentored team in developing easy to use design and layout; developed pre-post test to evaluate usefulness of Guide.
- ! Authored and co-authored development of videotape demonstration series on Psychiatric Rehabilitation; audiotape series on dual diagnosis.
- ! Authored and co-authored development of 5 trainer packages on Psychiatric Rehabilitation technology which include lesson plans, student reference books, transparencies, video, and audiotape examples (*Setting an Overall Rehabilitation Goal; Assessing Readiness; Developing Readiness; Functional Assessment; Direct Skills Teaching*)

- ! Co-authored Training Resource Manual on pre-service and in-service training.

Consultation Experience:

1981-present, *conducted organizational assessments* in psychiatric hospitals, community mental health centers, vocational programs and residential programs in:

- ! U.S.: New Jersey, Alabama, Maine, Ohio, Colorado, New York, Florida.
- ! Canada: Ontario, Quebec, New Brunswick, Nova Scotia, Manitoba, British Columbia
- ! Europe: England, Sweden, Italy, Holland, Hungary
- ! Pacific Rim: Australia, New Zealand

The assessments focused on questions of organizational culture, capacity, and commitment to incorporate psychiatric rehabilitation into program practice and administration.

1979-present, *provided program consultation* to help agencies implement psychiatric rehabilitation programs in:

- ! U.S. (for example): Day programs in New Jersey (Sussex House, Newton NJ); vocational programs in Vermont (South East Mental Health Program, Bennington, VT); residential programs in Washington (Frontier Residential Services, Port Townsend, WA); hospital programs in Maine (Bangor Mental Health Center) and Massachusetts (Medfield State).
- ! Canada (for example): Case management programs in Ontario (Community Resources Consultants, Toronto, Ontario); after-care services in Quebec (Pierre Janet, Hull, Quebec); hospital programs in Newfoundland (Waterford Hospital, St. Johns, Newfoundland), New Brunswick (Restigouche Hospital, Campbellton, New Brunswick) and Ontario (Royal Ottawa Hospital).
- ! Europe (for example) Lugnet, Malmo Sweden; Blekingsborg, Malmo Sweden; Eindhoven Psychiatric Center, Eindhoven, Netherlands; Day Program: Awakenings, Budapest, Hungary; Prahlan Mission, Melbourne, Australia; Hospital programs in England (Parklane Forensic Center, Liverpool and Stanley Royd, Wakefield), Italy (Ospedale San Giovanni di Dio, Brescia, Italy), and Switzerland (Intitute de psychiatrie, Geneva). Forensic Services: Dartmouth, Nova Scotia; Malmo, Sweden

1984-present, ***provided systems consultation*** in strategic planning, policy and regulation development to support psychiatric rehabilitation at a state level or national level in:

- ! U.S. (for example): New Jersey Division of Mental Health and Hospitals; V.A. Academic Affairs Fellowship Programs; New York State Wide Employment Advisory Board.
- ! Canada (for example): Ottawa Carleton region, Ministry of Health and Community and Social Services; New Brunswick Department of Health.
- ! Europe (for example): Malmö University Hospital-Social Services-Vocational Rehabilitation Integration Systems Project; Swedish Government Mental Health Planning Committee; Lombardy Region of the Fatebenefratelli Order ; Netherlands: Office of the Inspector General.

1982-present, ***designed and conducted systems level manpower development*** projects in:

- ! Europe: (for example, Sweden Holland).
- ! U.S.: (for example, Illinois, New Jersey).
- ! Canada: (for example, New Brunswick, Ottawa-Carleton).

1973-1981, ***provided management consultation*** in team building, staff development and resolving organizational conflicts in a variety of health and mental health settings in:

- ! U.S. (for example): Mount Pleasant Hospital for the Treatment of Alcoholism, Lynn, MA; Newton-Wellsley Hospital, Psychiatric Unit, Newton, MA.
- ! Canada (for example): Earls Court Children's Center, Family and Juvenile Court, Toronto, Ontario; Ontario Hydro Employees Assistance Program, Toronto, Ontario.

1973-1976, ***developed various community alternatives*** to training school for juveniles before the Family Court; initiated the development of a regional Court Clinic for juveniles; developed a system of case conferencing and agency co-ordination in a mixed rural-urban county (Peel Region), Toronto, Ontario; developed region wide project in North Western Ontario to stimulate economic recovery in region, including individuals with substance abuse.

1971-1973, ***consulted to ethnic minority organizations and groups*** providing groundwork for development of peer information/referral/advocacy network, Toronto, Ontario.

Training Experience:

Principles and skills of transformation for leaders and change agents, Canada, Europe. 2004 –present.

Skills and attitudes of recovery oriented mental health services for providers and administrators across Canada and Europe; 1998-present

Skills of Supervision for Supervisors and Middle Management across Canada, USA, and Europe. 1990-present.

Skills of Program Development and Administration for program administrators across Canada, USA, and Europe. 1982-present.

Skills of Training for practitioners wishing to become staff trainers across U.S. and Canada. 1982-present.

Skills of Psychiatric Rehabilitation: Diagnostic Planning, Programming, Career Development, Career Placement, Evaluation Skills, Community Coordination. Trained practitioners comprised of experienced Rehabilitation Counselors and mental health personnel. Across USA, Canada, and Europe. 1977 to present.

Skills of Outreach Case Management for severely disabled clients. Department of Mental Health, Boston, MA, 1981.

Skills of Diagnostic Planning, Trained Community Lodge Staff to work with the new deinstitutionalized chronic psychiatric patient 30 hours, New England Fellowship Association. Worcester, MA, 1980.

Interpersonal Skills Training: Adolescent Substance Abusers. Trained Alcoholism counselors to work with adolescent clients. Doctor's Hospital, Worcester, 1979.

Adolescent Group Skills. Trained Guidance Departments in two secondary schools, during 16-week program. Toronto, Ontario, Canada, 1976.

Volunteer Training for Juvenile Court Workers. Set up three-phased program to train volunteers for Family Court using co-trainer to develop concomitant "trainer" skills. Forty volunteers trained as workers. Each co-trainer developed and ran own program of volunteers. Two-year program. Toronto, Ontario, Canada, 1975-1976.

Basic Counseling Skills Training. Trained lay persons in interpersonal skills, all of whom reached a minimal facilitative level of functioning. 8 months. Toronto, Ontario, Canada, 1976.

Developing a Functional Hierarchy. Trained a cross-section of social workers, childcare workers and administrative staff in interpersonal skills, programming, and problem-

solving skills during an attempt to reorganize a children's in-patient psychiatric hospital. 12 weeks. Toronto, Ontario, Canada, 1975.

Basic Counseling Skills in Peer Network. Trained adolescent volunteers as peer counselors. 16 weeks. Toronto, Ontario, Canada, 1974.

Microcounseling Skills. Trained guidance counselors at the University of Toronto. 5 weeks. Toronto, Ontario, Canada, 1975. Trained guidance counselors in Carkhuff Skills. 1973.

Clinical Experience:

- ! Provided supervision for mental health personnel working with clients with a serious psychiatric disability of all disciplines. U.S., Canada, and Europe, 1980-2002
- !
- ! Provided supervision for Day Treatment Counselors. Boston, MA, 1980.
- ! Conducted psychometric testing for alcoholic patients and conducted outpatient therapy in hospital for alcoholism. Lynn, MA, 1978-1986.
- ! Supervised community nurses in training volunteers to work with patients being deinstitutionalized from a state psychiatric hospital. Medfield, MA, 1978-1979.
- ! On-call as counselor on an in-patient psychiatric ward of a general hospital. Newton, MA, 1978-1979.
- ! Maintained a caseload of persons with chronic schizophrenias in a dual role of primary treatment manager and rehabilitation counselor in a private psychiatric hospital. Developed a skill-training program for the patients. Belmont, MA, 1976-1977.
- ! Maintained limited caseload of individuals and families as community consultant; most cases were substance abusers or significant others. Toronto, Ontario, Canada, 1974-1976.
- ! Conducted psychological testing, family counseling, and served as back-up resource for distress lines, and children's advocates in Family Court. Toronto, Ontario, Canada, 1974-1976.
- ! Served as psychological consultant for disturbed adolescents in residential programs. Toronto, Ontario, Canada, 1974-1976.
- ! Supervised volunteers working with long-term chronic psychiatric clients living in the community. Waterloo, Canada, 1973.

- ! Co-led "training as treatment" group for ex-psychiatric patients as part of the after-care programming. Toronto, Ontario, Canada, 1974.
