Education:

| | | | |
|------|------|-------------------|--|
| M.S. | 1990 | Boston University | Psychiatric Rehabilitation, <i>concentration in Supported Employment</i> |
| B.S. | 1989 | Boston University | Rehabilitation Services |

Accreditation:

Certified Rehabilitation Counselor (C.R.C.) #24585
Commission on Rehabilitation Counselor Certification

1990 - present

Professional Experience:

Training Associate, Training Division, 2007 - present
Boston University Center for Psychiatric Rehabilitation
Conduct training, technical assistance and consultation services in psychiatric rehabilitation service agencies domestically and internationally.

Consultant, Medicare Part D Outreach and Education Project
Center for Health Policy and Research, UMass Medical School 2005
Conducted trainings for MassHealth/CommonHealth recipients on the implications of the Medicare Modernization Act for dual eligibles in locations around the state.

Project Director, Experimental and Innovative Training Program "People Encountering People"
Boston University Center for Psychiatric Rehabilitation 2003 - present
Manage all aspects of RSA funded training project. Develop curriculum for graduate level rehabilitation counseling programs. Supervise staff, manage budget, facilitate focus groups and advisory group. Report to federal funding agency.

Project Director, Certificate Program in Psychiatric Vocational Rehabilitation.
Boston University Center for Psychiatric Rehabilitation 1998-present
Manage all aspects of training project. Train vocational rehabilitation practitioners and their community partners in the skills of psychiatric rehabilitation. Supervise training staff. Manage budget, recruit training participants and develop agency support for participation in the project. The Certificate Program was the winner of the 2002 Rehabilitation Services Administration Commissioner's Award for Excellence in Training and Education.

Trainer/Supervisor, Jump Start Mentoring Program.
Boston University Center for Psychiatric Rehabilitation 2002-2004
Provided training and supervision to mentors in federally funded demonstration project. Teach career class to young adults in the program.

Training Supervisor, Training for the Future.
Boston University Center for Psychiatric Rehabilitation. 2001
Provided clinical supervision and teaching consultation to teaching staff.

Program Instructor, Recovery Center.
Boston University Center for Psychiatric Rehabilitation 2000-2005

Teach career-related classes to Recovery Center students. Supervise interns and teaching assistants. Provide one-on-one advising to individual students.

Training Consultant, Hispanic Initiative Community Action Grant.

Boston University Center for Psychiatric Rehabilitation. 2000-2001

Provided training and consultation on the Social Security Work Incentives in Spanish and English.

Program Manager, Readiness for Rehabilitation Research Project.

Boston University Center for Psychiatric Rehabilitation 1997-2001

Wrote readiness assessment and development curriculum for use in vocational rehabilitation setting. Taught research intervention classes to consumers, trained state vocational rehabilitation counselors to implement intervention in local offices.

Training Associate, Consumer-Operated Services Project.

Boston University Center for Psychiatric Rehabilitation 1999-2000

Trained consumers of mental health services in the skills they need to be effective peer support specialists: psychiatric rehabilitation, counseling techniques, case management, and readiness for change.

Training Associate, Social Security Work Incentives Research Project.

Boston University Center for Psychiatric Rehabilitation 1997-2000

Trained consumers, family members, and service providers across New England in knowledge and application of the Work Incentives. Trained consumers to be trainers in Social Security Work Incentives workshops. Developed trainer curriculum, based on results of research. Developed secondary materials: assessment protocol, satisfaction surveys; coordinate research collection of family surveys.

Project Manager, Innovative and Experimental Training Partnership Project.

Boston University Center for Psychiatric Rehabilitation 1996-2000

Trained and supervise state vocational rehabilitation counselors in the skills of partnering with people with psychiatric disabilities, and in readiness assessment. Created and edited trainer- and participant-level curriculum for use in readiness assessment application. Managed day-to-day functions of project; marketed project and coordinated training sites; supervised training staff.

Coordinator, Career Support Services

Boston University Center for Psychiatric Rehabilitation 1990-2000

Trained and supervised Career Achievement Services staff and interns. Administered small program: maintained records, recruited participants, coordinated caseloads. Provided career counseling, employment support, educational support services and Social Security Work Incentives assistance to participants. Promoted from Psychiatric Rehabilitation Specialist.

Coordinator, PASS Assistance Services

Boston University Center for Psychiatric Rehabilitation 1995-1997

Developed, piloted, and implemented program designed to assist persons with psychiatric disabilities to assess eligibility for, gain access to, and utilize Plans for Achieving Self Support from the Social Security Administration. Supervised and trained program staff; provided direct services to participants.

Instructor, Career Education Program, & Psychiatric Vocational Rehabilitation Project,

Boston University Center for Psychiatric Rehabilitation 1993-1996

Taught the skills of vocational exploration and planning to students with psychiatric disabilities. Supervised teaching assistants; coordinated support needs of students.

Assistant Instructor, Day Treatment Center

Veterans Administration, Boston, MA 1988-1989

Instructed skill groups and assisted in facilitation of therapy groups. Provided employment services to individual veterans. Assisted in occupational therapy art program.
