INSTRUCTIONS

This application and a completed Program Planning Sheet must be submitted to the Graduate Records Office, 48 Cummington St., Room 204 by:

November 1st for January graduation,
February 1st for May graduation,
July 1st for September graduation.

If you do not graduate as planned, you must submit a new application for the next graduation.

You must be registered for at least two credits both in the semester or summer session in which you graduate and in the preceding semester.

There is only one graduation ceremony per year in May. All degree requirements must be completed prior to participating in the ceremony.

Please consult the College of Engineering Graduate Bulletin and your department graduate associate chair for any other policies, procedures and deadlines which may affect your eligibility for graduation. 8/09
