

BULLETIN ADDENDUM
Correction to ECE Math Requirement

Please see the new ECE Math Requirement listed below. This is in correction to pages 47 & 48 in the ENG Bulletin.

The ECE Dept. has replaced the ENG PhD Math Qualifying Exam with a new Math Requirement. All PhD students are required to fulfill this Math Requirement no later than the end of their fourth academic semester. The guidelines are as follows:

For post BS students:

- Complete with grade B+ or better one of:
 - Any degree: EK501
 - EE: EC501, EC505, EC515, EC516, EC574
 - CSE: EC504, EC533, EC534, EC 541, EC561

For post MS students:

- Post BS requirement or
- Submit evidence of successful completion B+ or better of equivalent course as determined by the ECE Graduate Committee.

The list of courses will be reviewed periodically by the ECE Graduate Committee.
