Two-year Advanced Standing DMD Program Deferral Requests

Accepted Advanced Standing DMD candidates who have submitted a \$3,000 nonrefundable tuition deposit may **petition in writing** to Assistant Dean for Admissions Catherine Sarkis, at the address above, to defer admission for one academic year. Deferral beyond that time period will not be permitted and the applicant will be required to reapply.

In order to reconfirm the intention to enroll following an approved deferral, the accepted candidate must submit a second \$3,000 nonrefundable tuition deposit and signed acceptance confirmation by December 1 of the calendar year prior to matriculation. Both nonrefundable deposits will be applied to the tuition charges for the student's first semester of enrollment.

Should a candidate who has deferred choose not to enroll, he or she must inform the Advanced Standing Admissions Coordinator of the withdrawal decision via a signed and dated letter as early as possible so that an admissions offer may be made to another candidate. In the absence of a second enrollment confirmation submitted by December 1, the candidate will forfeit the offer of deferred admission and the initial deposit.

Deferred admission may be granted for one year, depending on the circumstances and the date of the deferral request. Deferral petitions must be received by May 15. Candidates whose acceptance notification is issued after May 1 will not have a deferral option.
