Dear colleagues,

Please see below further updates for the Henry M. Goldman School of Dental Medicine research community on the response to the COVID-19 pandemic.

**Phased Resumption of On-Campus Research**

We are awaiting approval from the Vice President for Research of requests for resumption of in-person research activities submitted by GSDM researchers. We anticipate receiving these notifications shortly. Full details on the resumption process are available [here](#), and the GSDM Research office is serving as a resource to address any questions or concerns.

**Building Coordinators**

Building Coordinators have been appointed to supervise the implementation of safety protocols in common spaces throughout the medical campus. The following GSDM representatives have been appointed to assist the designated Building Coordinators:

- Evans – Dr. David Levin
- 700 Albany Street (W-building) – Dr. Paola Divieti Pajevic
- 650 Albany Street (X-building) – Dr. Laisheng Cho
- Housman (R-building) – Dr. Russell Giordano

**PPE Supplies**

Dr. Andrew Taylor, Associate Dean of Research for the School of Medicine, is overseeing the procurement and distribution of PPE for the BUMC research community. The PPE has been received and final arrangements are being made for their distribution. We will provide further details as soon as they are available.

**COVID-19 Screening for GSDM Research Community**
Plans are underway for all GSDM researchers to be undergo COVID-19 screening each day that they will be on campus. Further information will be disseminated shortly.

**Funding Opportunities**

The [BU Research Support website](http://www.bu.edu/dental-research) includes links to COVID-19 research announcements, and this page is updated on a regular basis.

Please continue to monitor the [Boston University](http://www.bu.edu), [BUMC](http://www.bumc.bu.edu) and [GSDM](http://www.bu.edu/dental-research) COVID-19 websites for further updates. I encourage you to contact the [GSDM Research office](http://www.bu.edu/dental-research) if you have additional questions or if there is any support that you may need.

Best regards,
Maria
