

Commencement 2009
May 15, 16 and 17

Catering on the Charles is pleased to present the 2009 Commencement menu. These packages have been designed to accommodate your morning, daytime or evening receptions.

Packages are Tier Two Service which is inclusive of all food, beverage, wait staff labor, house white linen table cloths, delivery, compostable paper products and clean up.

For those of you wishing to enhance your Commencement reception with additional items, a listing of specially selected hors d'oeuvres is available from your Catering Sales Representative.

We regret that substitutions cannot be made to the Commencement Reception Menus.

Catering on the Charles actively participates in green business practices.

All catered events are supplied with paper goods made from 100% post-consumer recycled products or from 100% compostable products. All food waste at catered events is composted.

All plastic bottles are recycled. Catering on the Charles encourages everyone to reduce their environmental impact.

Please contact Catering on the Charles for more information on planning your event.
