Temporary Disability Verification Form

The Disability & Access Services provides academic accommodations and services to students with Temporary Disabilities. Students seeking accommodations must provide appropriate documentation of their disability so that Disability & Access Services can determine the student’s eligibility for accommodations; and if the student is eligible, determine appropriate academic accommodations. A temporary disability is one that will resolve within three to six months. For impairments requiring accommodations for six months or longer, please refer to our traditional accommodation process. To verify the disability and its severity, Disability & Access Services requires the form below to be completed by the current treating licensed healthcare provider.
