

In the event of an exposure with laser use, the employee, student, manager, and laboratory safety or radiation safety officer should **Call the ROHP 24/7 hour number 617-414-ROHP (7647); or 4-ROHP (7647) if calling from the Medical Campus** to be connected with the BU Research Occupational Health Program (ROHP) medical officer. ROHP will refer you to the appropriate health care location for appropriate treatment.

Major medical emergencies

Medical Campus: call or have a co-worker call the Control Center at 4-4444.

Charles River Campus: call or have a co-worker call BU Police at 617-353-2121.

You will be referred to or transported to the appropriate health care location by the emergency response team.
