Boston University Environmental Health & Safety

Medical Care Contact Information - ROHP

Research Occupational Health Program (ROHP) was established last year to provide medical care to laboratory personnel in the event of an injury or illness in the laboratory.

►**Major Medical Emergency:** including heart attack or seizures
     Medical Campus: Contact Control Center at 617-414-4444
     Charles River Campus: Contact BU Police at 617-353-2121

Below are a few scenarios in which you would need to contact ROHP for evaluation.

     ►**Lab Exposure**: including needle-sticks, cuts, scratches, or splashes

     ►**Animal Bites**: including animals which have been infected with any hazardous agents

     ►**Unexplained Symptoms or Illness**

Contact ROHP 24/7 at: 617-414-7647

The ROHP 24/7 line will connect you with the BU Research Occupational Health Program medical officer. ROHP will then refer you to the appropriate health care location (see below).

ROHP HEALTHCARE REFERRAL LOCATIONS AND TIMES			
Location	**Regular Workday Hours**		**After Hours and Weekends**
