The Student Elections Commission received the following complaint from Dan Ellis at 1:42 PM on April 16, 2011, assigned reference number 6:

RhettVolution has vandalized the \$1600 glass case for the student banner we recently put up, along with our door. On attempt to clean with paper towels and water, the vandalism is NOT coming off.

After consideration of the complaint, the SEC has issued the following ruling:

Based on the evidence submitted by the complainant and collected independently by the SEC, we cannot find that a violation of the elections code has taken place at this time. There is currently no proof that any of the individuals on or affiliated with the "Rhettvolution" slate are responsible for this act; as such, the SEC has deferred a vote on the matter pending further investigation.
