Experiential Component Approval Form
Concentration in Aerospace Engineering

Return completed form to ENG Undergraduate Records Office, 44 Cummington Mall, Room 107.

Student Name:____________________________________________   BU I D# ________________________________
Dept/Major:_______________________________________________  Email Address:___________________________
Advisor:______________________________________ Expected Date of Graduation:____________________________

Instructions: Please check one of the following ways in which you plan to complete the experiential component as a requirement for the concentration in Aerospace Engineering. Depending upon which choice is made, please attach the required documentation as indicated. This form must be submitted to the Undergraduate Records Office no later than the 1st semester of the senior year.

Upon completion of the proposed experiential component, you will need to submit a written summary of your work, signed (approved) by your supervisor. See reverse of this form for specific instructions.

I plan to complete the experiential component requirement for the Aerospace Concentration by:

❒ Research Experience in Lab (Attach proposal)
❒ Internship in Aerospace field (Attach proposal)
❒ Senior Design Project (Attach proposal)
❒ Directed Study in Aerospace Engineering (Attach copy of Directed Study petition with proposal)
❒ Other (Attach proposal)

Experiential Component Approval Instructions for the Concentration in Aerospace Engineering

The concentration in Aerospace Engineering requires completion of an experiential component in the aerospace area. A laboratory research, industrial internship or co-op, senior design project or a directed study can satisfy this requirement.

1. **Proposal:** To complete this form the student must:
   - Check off how you intend to complete this requirement
   - Attach a written proposal outlining how this component relates to the concentration in Aerospace Engineering; include what is relevant to the form of experiential component you have chosen regarding rationale, goals, method of study, basis of evaluation, etc. Students choosing a Directed Study should attach a copy of their Directed Study petition and proposal.
   - Indicate who the supervisor of the experiential component is: e.g., faculty supervisor, Senior Project Instructor, Co-op/Internship supervisor, etc.
   - Sign and date the form
   - Obtain the Proposal Approval of the Concentration Coordinator: Prof. Ray Nagem
     110 Cummington Mall Room 420
     353-5925
     nagem@bu.edu
   - Submit this form - with Experiential Component Proposal Approval and all attached supporting documents - to the Undergraduate Records Office, 44 Cummington Mall, Room 107.
   - The deadline for submission of an approved Experiential Component Proposal is December 1st of senior year.

2. **Summary:** Upon completion of the Experiential Component, the student must:
   - Write a summary of the work accomplished. Include how the points mentioned in the proposal were actualized.
   - Obtain your supervisor's signature (approval) on the written summary
   - Submit the signed and dated summary to the Undergraduate Records Office, 44 Cummington Mall, Room 107.
   - The Undergraduate Records Office staff will obtain the Experiential Component Summary Approval from the Concentration Coordinator.
   - For students who complete their proposal in spring semester of senior year (Senior Design Project), the Summary of the Experiential Component must be received in the URO no later than May 1 to ensure graduation in May.
