Experiential Component Approval Instructions
for the Concentration in
Energy Technologies

The concentration in Energy Technologies requires completion of an experiential component in the “energy” or “environmental” area. A laboratory research, industrial internship or co-op, senior design project, or a directed study can satisfy this requirement.

1. **Proposal:** To complete this form the student must:
   
   - Check off how you intend to complete this requirement
   - Attach a written proposal outlining how this component relates to the concentration in Energy Technologies; include what is relevant to the form of experiential component you have chosen regarding rationale, goals, method of study, basis of evaluation, etc. Students choosing a Directed Study should attach a copy of their Directed Study petition and proposal.
   - Indicate who the supervisor of the experiential component is: e.g., faculty supervisor, Senior Project Instructor, Co-op/Internship supervisor, etc.).
   - Sign and date the form
   - Obtain the Proposal Approval of the Concentration Coordinator:
     Prof. Uday Pal
     730 Commonwealth Ave. Room 206
     252-7708
     upal@bu.edu
   - Submit this form - with Experiential Component Proposal Approval and all attached supporting documents - to the Undergraduate Records Office at engrec@bu.edu.
   - The deadline for submission of an approved Experiential Component Proposal is December 1st of senior year.

2. **Summary:** Upon completion of the Experiential Component, the student must:
   
   - Write a summary of the work accomplished. Include how the points mentioned in the proposal were actualized.
   - Obtain your supervisor’s signature (approval) on the written summary
   - Submit the signed and dated summary to the Undergraduate Records Office at engrec@bu.edu
   - The Undergraduate Records Office staff will obtain the Experiential Component Summary Approval from the Concentration Coordinator.
   - For students who complete their proposal in spring semester of senior year (Senior Design Project), the Summary of the experiential component must be received in the URO no later than May 1 to ensure graduation in May.
