

BOSTON UNIVERSITY COLLEGE OF ENGINEERING
2009 STARS Program Application

STARS (Summer Term Alumni Research Scholars) is a program in which the College of Engineering provides summer housing in an on-campus apartment style residence hall (for 10 or 12 weeks) or \$2500 towards the cost of off-campus housing. To be eligible for the program, students must be engaged in full-time research during the summer with a College of Engineering faculty mentor and earning a stipend of at least \$350/wk. Housing support will be for no more than the 12-week period of summer session, and will coincide with the period of time the student is engaged in full-time research and earning a stipend. Students may not be enrolled in summer classes. **Applications should be submitted to the department office of the faculty sponsor no later than March 6th.** Applicants will be notified of their status late - March.

To be completed by student:

Student Name: _____ ID # _____
Dept. /Major: _____ E-mail: _____ Local Phone: _____
Local Address: _____
Faculty sponsor: _____
Brief summary of research project and your role: _____
