Engineering

MS THESIS PRESENTATION ABSTRACT FORM

This form must be submitted to the Division Graduate Programs Manager, 15 St. Mary's Street, Room 119, with one copy of the dissertation abstract (maximum of 350 words) which has been approved by your Major Professor. This must be received at least three weeks in advance of the thesis presentation. You will be notified of the abstract approval or if revisions are required. Upon approval, the schedule of the final presentation must be submitted to the Division Graduate Programs Manager at least two weeks in advance of the defense date. Please type or print clearly.
