MATRICULATION YEAR FALL 2014–SPRING 2015

The MS Curriculum requires completion of 32 ENG graduate-level credits, with grades of C or higher and a cumulative GPA >= 3.0, while satisfying a specialization requirement, a practicum requirement, and a 700-level requirement.

The specialization requirement is met by taking four structured graduate courses from a single specialization area (see next page for listing).

The practicum requirement is met by either: a) obtaining at least 4 credits of MS Thesis (ENG EC901), or b) obtaining at least 4 credits of MS Project (ENG EC902), or c) taking two 4-credit courses with significant practicum components as certified by the ECE Graduate Committee (see next page for listing).

The 700-level requirement is met by ensuring that at least 4 credits toward the MS degree are from an ENG EC7XX course.
