

How to Register for Courses through the Student Link:

- 1) Go to the [Student Link](#) and click on the “Academics” tab.
- 2) Next, select “Registration.” You will be prompted to log in using your BU username and Kerberos password.
- 3) Find the semester for which you wish to register and click on “Reg Options.”
- 4) A list of options will appear: “Plan”*, “Register for Classes”, and “Drop Class.” As of 9:00 AM on registration day, you will be able to click on “Register for Classes.” Beyond this screen, the system is self-explanatory. It will ask you to input your college (**ENG or in some cases CAS**), department code (EK, EC, etc), and course number, which will allow you to officially add the course to your schedule.

* Prior to registration day, you will be able to use the “Plan” option to plan for your intended classes. “Planning” your schedule does not register you for classes, nor does it hold a seat for you in your classes. For instructions on submitting courses from the “Plan” option, please see below.

How to Submit Courses from the StudentLink Plan Option

Select the "Academics" tab and go to "Registration." Enter BU username and Kerberos password. Click "Reg Options" underneath the semester in which you have used the "Plan" option.

The screenshot shows the Boston University Student Link interface. At the top, there are navigation tabs: Academics, Money Matters, Personal, Work, Food & Shelter, Basics, and Index. The 'Academics' tab is selected. Below the tabs is the title 'REGISTRATION - CURRENT SCHEDULE' and a 'logoff' link. A table lists course offerings for four semesters. The table has columns for Semester, Class, Status, Cr Hrs, Title / Instructor, Type, Bld Rm, Day, Start, Stop, and Notes. A black arrow points to the 'Reg Options' link under the Summer 2 2010 section.
