MATERIALS DAY

NOVEL MATERIALS FOR ELECTROCHEMICAL ENERGY CONVERSION & STORAGE

OCTOBER 26, 8 AM
BOSTON UNIVERSITY,
PHOTONICS CENTER

SPEAKERS:
Scott Barnett
Northwestern University
Meilin Liu
Georgia Institute of Technology
Arumugam Manthiram
University of Texas
Lincoln Miara
Samsung Research America
Emily Ryan
Boston University
Harry Tuller
Massachusetts Institute of Technology
William Woodford
Form Energy

SPONSORS
Division of Materials Science and Engineering
BU Institute for Sustainable Energy
College of Engineering
Department of Mechanical Engineering
Department of Chemistry

DETAILS
Host: Prof. Gopalan (ME, MSE) and the Division of Materials Science & Engineering
Register online by 10/19/2018
