

Implementation of the New Model of Antenatal Care

Action Plan

My Long Term Goal:

To implement the new Model of Antenatal Care in all service delivery points [in Western Province –Kenya], during pregnancy and immediate post partum period

Short/Medium Term Goals to Achieving Long Term Goal	Actions Required	Resources Needed	Resources Available	Constraints	Who or What Can Help Me	Target Date for Action	Date Completed
<ol style="list-style-type: none"> 1. Policy development 2. Training and practice guideline development 3. Identification of pilot sites 4. Implementation at pilot sites 5. Apply lessons learned for scale up 	<ol style="list-style-type: none"> 1. National policy change 2. Adoption of new model 3. Practice Guidelines 4. Training of health care workers 5. Practical demonstration of implementation 6. Supportive supervision 	<ol style="list-style-type: none"> 1. Trained personnel 2. Laboratory backup 3. Infrastructure for essential obstetric care 4. Funds for implementation 	<ol style="list-style-type: none"> 1. Limited # of trained personnel 2. Basic laboratory infrastructure 	<ol style="list-style-type: none"> 1. Shortage of trained personnel 2. Lack of equipment and supplies for essential obstetric care 	<ol style="list-style-type: none"> 1. Government and donor support 2. Harness community participation and resources 	September 2005	September 2007, 80% of facilities covered
