We encourage you to share this guide, which includes important information about your award offer, with any family member helping you with college expenses.

**Acknowledge your award** at bu.edu/studentlink. Doing so affirms that you understand and agree to all terms and conditions specified in this guide, so please carefully note all instructions.

**The BU Scholarship Assurance**
The BU Scholarship Assurance (bu.edu/finaid/aid-basics/bu-scholarship-assurance) enables you to plan for the cost of your entire degree and we are happy to renew your award for the 2018/2019 academic year. BU financial aid is guaranteed for four years of full-time undergraduate study provided you are taking coursework to meet degree requirements, meet satisfactory academic progress standards, remain enrolled in at least 12 credits, meet on-campus housing requirements for the Charles River Housing Grant, and do not have a comptroller hold on your account.

**Federal Financial Aid**
If you have completed the 2018/2019 FAFSA, the federal and state aid for which you are eligible has been included in your award notification. If you have not completed the FAFSA and wish to be considered for federal financial aid, you may still do so. Application instructions and the link to the FAFSA is at bu.edu/finaid/apply/returning.

**How to Pay Your Bill with Your Award**
The projected cost of attendance is listed at bu.edu/finaid/aid-basics/cost-of-education/undergraduate. Your fall semester charges will be viewable on the Student Link by mid-July. Tuition and fee charges will be listed along with charges for room and board if you will be living in BU-owned housing. Any awards listed on your Financial Aid Award notification as “to be credited to student account” will appear as pending credits. Federal Stafford Loans, if included in your award, will appear as “pending items” until those funds are disbursed. If you haven’t done so previously, you will be required to complete promissory notes and other requirements. Your actual Stafford Loan credit will be less than the amount borrowed because of an origination fee charged by the U.S. government. If Federal Work-Study is included in your award offer, please note that since you will be paid weekly as you earn this money, you cannot apply Federal Work-Study to the balance due on your invoice. Student Accounting Services (bu.edu/studentaccountingservices) provides full instructions on how to settle your account. If your aid exceeds your billed charges, your account will display a credit balance. Any credit on your account will be available to you as a refund on or after the first day of classes. Go to bu.edu/studentaccountingservices/resources/refunds to request a refund.
**Fulfill Your Financial Obligations to the University**

You cannot receive financial aid and have an outstanding balance due from a prior enrollment period. Thus, you must promptly pay any remaining balance owed.

**Maintain Satisfactory Academic Progress**

To be eligible for renewal of any financial aid, you must successfully complete at least 12 Boston University credits each semester in the prior academic year. For renewal of BU need-based financial aid for the same period, you must also maintain a 2.00 cumulative grade point average (GPA). Go to [bu.edu/finaid/eligibility/satisfactory-academic-progress](http://bu.edu/finaid/eligibility/satisfactory-academic-progress) for complete information on academic renewal requirements for BU need-based financial aid. To be eligible for federal and state funds, students must meet the following minimum GPA requirements: after completion of one academic year, a cumulative GPA of 1.70; after completion of two years, a cumulative GPA of at least 2.00.

Boston University requires that students meet these same standards for state and private education loan certification. In determining eligibility for financial aid, the calculation of GPA does not include Physical Development Program (PDP) courses. Enrollment prior to full-time matriculation at BU, at other institutions, and courses not completed by June 1, 2018 are also not considered in these determinations. The summer term is considered only for students admitted to the College of General Studies January Boston-London program.

Awards are usually offered for the full academic year, and academic progress is reviewed at the end of each academic year. However, spring semester financial aid will be canceled if a full-time student fails to earn at least a 1.00 grade point index (GPI) or fails to successfully complete at least 8 credits during the fall semester. Students who withdraw during the fall semester after the beginning of classes are ineligible for financial aid for the spring semester, unless there are extenuating circumstances. Eligibility for federal funds is limited to six years of full-time undergraduate enrollment. Eligibility for BU need-based scholarships and state grants is limited to 8 semesters of full-time undergraduate enrollment.

**Inform BU Financial Assistance of any additional awards.** Promptly inform BU Financial Assistance in writing of any additional award you receive from any source, either within or outside of Boston University, including scholarships, grants, tuition benefits, VA benefits, or other aid. If you receive additional aid, no reduction will be made to:

- Federal need-based awards, provided total aid from all sources does not exceed your FAFSA-calculated financial eligibility.
- Renewed need-based BU Scholarship Assurance awards provided, total aid from all sources does not exceed your cost of attendance.
- New need-based BU Scholarship Assurance awards provided, total aid from all sources does not exceed your calculated financial eligibility.

**Inform BU Financial Assistance promptly of changes**, in your name, address, enrollment, or degree status, or if you withdraw or take a leave of absence from BU. If you reduce your course load to less than full-time (12 credits), you may lose part of or your entire aid award. Speak with your academic advisor and the assistant director ([bu.edu/finaid/contact-us](http://bu.edu/finaid/contact-us)) responsible for your aid application before reducing your course load.

*The terms and conditions of awards are subject to change in subsequent years.*
Appealing for Reconsideration of Your Need-Based Aid Decision

We understand that family circumstances change and that extenuating circumstances sometimes arise. Thus, all appeal petitions are carefully reviewed and every effort will be made to assist you. Funding is limited. If possible, please submit requests for additional assistance within ten (10) days of your receipt of your award notification. Go to bu.edu/finaid/apply/special-circumstances/reconsideration to learn more about the appeal process, required documentation, and answers to frequently asked questions including likely outcomes.

A limited amount of assistance for the spring 2019 semester is available for eligible applicants who submit an Application Supplement for Mid-Year Financial Aid. This is an opportunity for those with changed (such as a loss of employment) and/or other extenuating family circumstances to present that information for consideration. Application forms are available starting in September at bu.edu/finaid/forms-calculators/forms/application-forms and they are due by November 5, 2018.

Scholarships and Grants

Unlike student loans, scholarships and grants do not have to be repaid. BU need-based scholarships are made possible by the generous gifts of our alumni and friends. Portions of your BU Scholarship may be renamed as a result. Recipients of the Charles River Housing Grant are required to live in BU-owned housing on either the Charles River Campus or the Fenway Campus. For more information on specific scholarship and grant programs, go to bu.edu/finaid/types-of-aid/scholarships-grants.

Student Employment

Students are encouraged to work part time during the academic year. There are many work opportunities on campus even if you did not receive a Federal Work-Study award. For more information on work opportunities, go to bu.edu/finaid/types-of-aid/student-work-opportunities.

Loans

Unlike scholarships and grants, loans must be repaid. For more information on specific loan programs including Federal Stafford Loans, Massachusetts No Interest Loans, and on credit-based loans such as Federal PLUS Loans, go to bu.edu/finaid/types-of-aid/loans.

What if I Withdraw or Take a Leave of Absence from the University

Undergraduate student withdrawals and leaves of absence should be arranged at the University Service Center. Contact the University Service Center at 617-358-1818 or go to bu.edu/usc/leaveandwithdrawal. For information about what happens to your financial aid if you withdraw or take a leave of absence, go to bu.edu/finaid/apply/special-circumstances/withdrawal-and-leave-of-absence.
