2013-14

BU Cricket is now a club sport

Boston University Cricket Club has turned over a new leaf; it is now registered as the newest of the 32 existing club sports, which is a significant step in the right direction. This new status puts us one level below varsity! Boston University Club sports has been very supportive of us in our first year and we, as a club would like to thank them, especially Scott Nalette, Jason Pride and Scott Flickinger for their continuous guidance and help.

First of its kind course In the USA

Captain Hayat Khan was instrumental in getting a 1-credit course approved and successfully instructing it for a year. The course was very well received given its nascent stature in the United States. We will be working tirelessly to further the popularity of this course and make it serve as a feeder to our club team.

American College cricket league

Boston University cricket club participated in the first ever American College Cricket league tournament. 22 teams played the tournament with BU cricket club placing 3rd and captain Hayat Khan placing 4th in the Most Valuable Player rankings.

American College cricket National Championship, FL

In the 5th edition of the tournament, BU cricket club played 3 thrilling games out of which BU clinched 1 vs. group leaders Georgia tech. BU's Danial Salman, Hayat Khan and Rahul Srivatsa were the star performers with the ball forming a lethal bowling attack. Syed Shirazi shone with the bat. Hayat khan bagged the Rohan kanhai award for Player of the year.

BU Cricket Club Awards night

We were fortunate enough to have our Alumni and founders of the club take time out one April evening recognize how far our club has come and give us an opportunity to recognize their contribution in its progress. Special awards went out to our Vidit Munshi, Bhupendra Nagpure and Shilpin Makwana for their instrumental role in the progress of the club as

Who have built this club with their commitment, determination and passion for the game.

Year 2014-15

The coming year 2014-15 looks promising under the leadership of captain and president Monideep Chakraborty who brings in a fresh perspective as well as many new ideas for taking the club forward. This year, our recruits from last year will be taking on new leadership roles in the club as well as scouting new players in order to build a formidable team for the future.

Our PDP course in cricket will be entering its 2nd year and we look to find new ways in attracting students to take it up and spread the word of cricket in new an innovative ways across the BU campus.

We would like to take this opportunity to thank our coaches, Vidit Munshi and Bhupi Nagpure for selflessly coming in on Friday nights to coach us. Our success this year would not be possible without your commitment and belief in us.

As with all successful clubs we cannot do without the support and monetary contributions of our Alumni, Family and friends. We would be ever grateful if you could contribute to our efforts in the coming year with a small donation.
