Meets Tuesdays 11:15am-12:05pm in L131: 0.5 Credit

Dance Program Mission:

Our dance program provides students with technical, historical and compositional courses in multiple genres of dance designed to prepare and enhance their skills in communication, critical thinking and self-expression. Our curriculum choices offer multiple ways of investigating dance as a physical, aesthetic, intellectual and cultural practice. As part of *One BU /Recommendations for Accessing the Arts at BU*, we encourage our students to use their imaginative spirit to find opportunities to create innovative cross-discipline research and practice.

Course Overview:

This course is designed as an introduction to the Latin Style of Ballroom dancing. Students who have had little or no instruction in this style of dance should begin their instruction here. The course is also in depth enough for students who may have taken previous Latin Style Ballroom classes for the purpose of building confidence and gaining additional dance experience with a partner. Typically, two dances per semester are introduced on a rotating basis: Salsa, Merengue, Bachata, Cha Cha, Rhumba and/or Argentine Tango. More time is devoted to exploring all six dances: steps, rhythms and styling with the use of props. Prepare yourselves with a towel, a broom, and an object that has two long scarves attached (for arms). The focus is to learn and laugh while developing enough skills to dance with a partner (as either follower or leader) when the time comes!

Course Objectives:

- **Basic Elements:** the four elemental movements that create the Ballroom & Rhythm styles. (walks, chasses, rock steps, triple steps)
- **Identifying Styles:** Students will be able to identify and explain the different styles of Ballroom dance [Latin vs American] and demonstrate that knowledge with physical clarity.
- **Directional Movements:** Students will learn the six directional movements required performing Ballroom dance. [forward, back, left, right, rotating left, rotating right]
- **Basic Rhythm Comprehension:** Students will learn to hear the basic key rhythms associated with Ballroom dance as each dance has its own rhythmical sound.
- **Time Signatures & Beat Values:** Simple time signatures will be explained, and basic musical beat values will be taught, and students are expected to be able to demonstrate them correctly according to the dance being danced. [Slow = 2, quick = 1, and = $\frac{1}{2}$ a = $\frac{1}{4}$]
- **Basic Dance Holds & Positions:** Students will learn the basics of the various dance holds and dance positions. Proper alignment of the head, torso, hips, and feet in relation to the partner for sound anatomical correctness and improved well-being.
- **Basic Leading & Following:** Students will learn the leader's role and the follower's role of partnership dancing
- **Basic Foot Patterns & Amalgamations:** Students will learn basic principle figures [foot patterns] and build the confidence to amalgamate [connect] several of them together to create their own unique groupings.

Required Attire:

- Please, no gum or dangerous jewelry.
- Hair secured away from face.
- For Ballroom classes: Ballroom or Latin shoes recommended, casual comfortable clothing that you can move in.

Learning Outcomes:

- Students will have fun and comprehend the basic concepts of the Latin Style of Ballroom dancing through a combination of oral instruction, visual demonstration and on the floor participation.
- Students will demonstrate basic partner dancing in the Latin Ballroom style according to the music being played.
- Students will develop interpersonal relationship skills that can carry beyond dance alone.
