Global China Research Colloquium

JOIN US FOR OUR MONTHLY GLOBAL CHINA RESEARCH SERIES at the Global Development Policy Center at 53 Bay State Road on Thursdays during the Spring Semester.

The Politics of Vexed Capital: China’s Railway Projects and Financing Coalitions in Southeast Asia

Alvin Camba is a PhD Candidate at the Johns Hopkins University and a pre-doctoral fellow at the Global Development Policy Center at Boston University. He uses mixed-methods approaches to derive the determinants and impact of Chinese foreign direct investment. He has been awarded multiple best graduate research paper awards by the American Sociological Association (ASA), published in several SSCI journals (Journal of Agrarian Change, Palgrave Communications, etc.), and written for various policy platforms or media organizations (The New Mandala, East Asia Forum, and South China Morning Post). He’s currently co-authoring a book on China’s Belt and Road Initiative in South and Southeast Asia.
