

B&G OYSTERS

B&G Oysters is a modern yet classic take on the oyster bar. Located in Boston's South End, B&G Oysters has a decidedly neighborhood feel, combining polished but friendly service with fantastically fresh seafood dishes and food-friendly wines. B&G Oysters has received many accolades over the years for its cuisine and wine program including "Best Seafood" in 2007 and 2008 by Boston Magazine.

This subterranean spot draws energy from its open kitchen which is surrounded by a white marble bar. In warmer weather, enjoy dining on the stone-walled patio, a favorite outdoor dining spot in the city.
